ADDRESSES OF WELCOME

His Worship the Mayor of the City of Prince Albert, Mr. S. McLeod, Bro. A. E. Fox, President of the Board of Trade, W. Bro. W. E. Bristowe, W. M. Kinistino Lodge No. 1, and W. Bro. A. E. Danby, W.M. Prince Albert Lodge No. 63, were then admitted and extended to Grand Lodge a cordial welcome to the City of Prince Albert.

His Worship the Mayor in the course of his address said that when he looked upon the magnificent body of men before him he felt guilty at not being a Mason. He extended a very hearty welcome to the Masons and stated that the Police had been given a holiday for the next two days as it was felt there was no need to Police the City when the Masons were in Prince Albert. He expressed the hope that they would have time to ride around the City and he felt sure when they saw it they would say that it was not only the most beautiful City, but also the best City in the Province of Saskatchewan. He would like them to take notice of the great possibilities of the City. Ten years from now he stated it would not only be the best but the largest City in the Province. Half the Province was to the North of the City with not a mile that was not rich with possibilities. He assured the Brethren that they were welcomed not only by their own Brethren but by every citizen in the City of Prince Albert.

Bro. A. E. Fox, stated that in extending the Freedom of the City, His Worship the Mayor had covered the ground fairly well and he merely wished as President of the Board of Trade to endorse the hearty welcome. He was proud to be a member of the Masonic Fraternity. In this body he said "we have some of the best minds of the Province and he trusted that this splendid assembly will tackle some of the tremendous problems that are facing the country at the present time."

W. Bro. W. E. Bristowe and W. Bro. A. E. Danby, extended a most cordial and hearty welcome on behalf of the Masons of Prince Albert and stated that the Masonic Temple and all conveniences were at their disposal while in the City and hoped their stay in Prince Albert would be pleasant and profitable.

The Grand Master requested R.W. Bros. J. N. Bayne, W. H. Field, and H. G. A. Harper to reply to the addresses of welcome so cordially extended.

R.W. Bro. J. N. Bayne, Regina, replying to the welcome of His Worship the Mayor said "we would be dumb and unappreciative to not appreciate the welcome of the citizens of this the oldest and most beautiful City of the Province of Saskatchewan. We are today on historic ground. From here the first missionaries went forth and their headquarters were established here long before there were any other cities in Saskatchewan. In 1885 we used to read in the papers of the struggle around Duck Lake. Thus the Pioneers of the West were having their struggle in bringing civilization and settlement to this district. His Worship the Mayor was very modest in his claims for Prince Albert. He might have said more and still his remarks could have been characterized with humility. Prince Albert has had its own troubles, but it has come through these struggles better than ever and stronger. Adversity and humiliation develop men." He said he would not attempt to dwell on the glories of the City but made the assertion that twenty-five years from now it would be in the centre of the population of Saskatchewan. The hospitality of the City was characteristic Old Time Hospitality. The last time Grand Lodge met in Prince Albert they were treated to a trip up the river where many of the members partook of liquid refreshments which

were not possible this time, and when it was decided last year to hold Grand Lodge this year in Prince Albert the announcement was received with pleasure. On behalf of the delegates he extended hearty appreciation of the cordiality of their welcome and the hospitality of the citizens of Prince Albert.

R.W. Bro. W. H. Field, Swift Current, expressed his appreciation of the remarks of the President of the Board of Trade. He stated that this was the third visit of Grand Lodge to the City of Prince Albert and that the City always gave them a good time.

R.W. Bro. H. G. A. Harper, Glenside, replied to the welcome of the representatives of the Constituent Lodges in Prince Albert. He stated that the hospitality they had already received was of a very high quality, and on behalf of the visiting Brethren he expressed his thanks for the cordiality of their welcome.

Thomson, it was resolved that the minutes of the last Annual Communication at Moose Jaw and Especial Communications at Birch Hills, Swift Current, Cabri, Weyburn, and Gull Lake having been printed and placed in the hands of the members be taken as read and adopted.

Grand Master's Address

The M.W. the Grand Master then delivered the following address which on motion of R.W. Bro. N. B. Williams, seconded by M.W. Bro. J. McCauley was referred to the Committee on the Grand Master's Address and Jurisprudence: —

Brethren of the Most Worshipful Grand Lodge of
Ancient Free and Accepted Masons of Saskatchewan.

Yesterday it seems you ordered me to resume labor, and today I am before you in answer to your call. How goes the hour?

The High Twelve of a momentous year is striking in tones that summon all to the most profound attention. It is with the greatest pleasure I welcome you to our thirteenth annual communication in my home City, and I trust your visit will be a pleasant and profitable one.

We are come together for the purpose of reviewing the work of the past year, to receive the reports of our different committees, to adjudicate upon matters submitted to us, to pass such legislation as may be necessary for the guidance of the craft during the coming year, and to render thanks to the Great Architect of the Universe for the many blessings we have received, and to entreat a continuance of His wise dispensations.

We met in 1915, 1916, 1917 and 1918 under the shadow of a great calamity, but let us thank God that today we are together under happier auspices,—the great shadow removed and unshaken in our fidelity to our sacred trust. The great World War, which for over four years shook civilization to its very foundation and which threatened to destroy the achievements of humanity during a thousand years, has been brought to a successful termination.

In that colossal struggle, Canada played a noble part. No words of mine can picture to you the achievements and glories of the Canadian Expeditionary Forces. History alone will tell that story, but let me assure you that no portion of that Expeditionary Force conducted itself with greater gallantry or devotion to duty than did the men from our own Province of Saskatchewan, many of them members of our beloved Or-

der. About one in seven of the members of the craft volunteered for active service, and many of these noble souls have answered the final summons, laying down their lives in the greatest fight for Liberty and Humanity that the world has ever seen. We mourn their loss, but not as those without hope, knowing, as all good Masons know, that the Great Architect has received them into the Grand Lodge above, saying, "Well done Good and Faithful."

I would call your attention, however, to the fact that while actual hostilities, so far as the Allied nations are concerned, have ceased, many grave problems which might be termed after-the-war problems are before Canada, and it is our duty, as men and Masons, but, more especially, as citizens, to render the greatest assistance we can to constituted authority in solving these problems and in bringing them to a happy conclusion. Foremost among these, I would mention the re-establishment into civil life of the men returning from overseas service. Their work at the front has unfitted many of them for their former occupations and we will be remiss in our duty if we do not assist them in every possible way to get a new and successful start in life.

Necrology

During the past year, the hand of death has fallen heavily upon us. The epidemic of influenza, which passed over Canada in the months of October, November, December and January last, took a terrible toll in lives, and, while it is a source of great gratification that all of the active officers of our Grand Lodge have been spared, many well known and highly esteemed brethren have passed away. G.L.B. Fund

At our last communication, a Committee composed of fifteen members, was appointed to look into and consider all matters pertaining to the administration of this fund. This report will be presented in due course for your consideration.

On account of partial failure of crops in many districts last year, I refrained from pressing as strenuously as in the past the claims of this fund. This does not mean, however, that these claims have been lost sight of. On the contrary, I would strongly urge all the members of the craft to keep ever before them the Benevolent fund and to give their most sympathetic consideration to any claims made on its behalf.

Grand Representatives

It appears that there never had been an exchange of Grand Representatives between this Grand Lodge and the Grand Lodge of the State of Iowa. I acceded, therefore, to the wish of M.W. Bro. Geo. L. Schoonover, Grand Master, and confirmed the nomination of Bro. Frank Seward Moses as the first representative of the Grand Lodge of Saskatchewan, near the Grand Lodge of Iowa, and instructed the Grand Secretary to issue a commission accordingly.

At the request of the Grand Master of the Grand Lodge of Michigan, I confirmed the nomination of Bro. Ira A. Beck, as Grand Representative of the Grand Lodge of Saskatchewan near the Grand Lodge of Michigan.

I also confirmed the appointment of Bro. H. P. Glindeman of Cover d'Alene, Idaho, as the Grand Representative of the Grand Lodge of Saskatchewan near the Grand Lodge of Idaho.

During the year, it was my pleasure to nominate as the first representative of the Grand Lodge of Iowa near the Grand Lodge of Saskatchewan R.W. Bro. H. G. A. Harper, of Broderick Lodge No. 113.

You will be pleased to know the most friendly and cordial relations exist between the Grand Lodge of Saskatchewan and other Grand Lodges.

Rulings

The question of residential qualifications of members of the Canadian Expeditionary Forces was submitted to me for a ruling thereon.

I ruled as follows:—The home of a member of the C.E.F., prior to his enlistment, continues to be the only home we recognise during the time he is in uniform, without regard to the various places he may be stationed in while on military service.

I was requested by W. Bro. Charles Hudson, W. M. of Zealandia No. 85, to place an interpretation on Section 148 of the constitution, with particular reference to residence. I replied that while this section might be subject to more than one interpretation, it seemed quite clear, when read in conjunction with Form 2, Page 115 of the constitution, that the six months referred to shall be immediately preceding the date of the petition.

Special Dispensations

In the matter of issuing special dispensations to initiate what we call imperfect material. I have taken a fairly liberal view, exercising, however, due care in every case to see that the petitioner was good material, except for his physical disability.

Just here let me say that, in my opinion, what constitutes imperfect material should be much more clearly defined. One physically perfect might become a burden and encumbrance on the craft, while another, though far from being perfect in physique, would become, through intellectual attainments, a burning and a shining light in Masonic circles.

We should never forget that it is the internal, and not the external, qualifications of a man which masonry regards.

Particulars of these dispensations will be found in the Grand Secretary's report.

Dispensations For New Lodges

During the year dispensations were granted to form five new Lodges, particulars of which will appear in the Grand Secretary's report. Particulars of all commissions issued will also be presented by the Grand Secretary.

By-laws of Lodges

The by-laws of the following Lodges have been approved:—

Mossbank No. 129; Togo No. 130; Dinston No. 131; Andath No. 132; Philathea No. 133; Eston No. 134; Elrose No. 135; St. George No. 136; Tyrian No. 137; Kincaid No. 138.

I also approved of changes in the by-laws of the following Lodges:—

Kinistino No. 1; Saskatchewan No. 16; Weyburn No. 20; Imperial No. 60; Morse No. 93; Simpson No. 121; Moose Jaw No. 3; Carlyle No. 17; Boscurvis No. 39; Doric No. 71; Mount Hermon No. 124; Philathea No. 133, and Progress No. 92.

I refused to approve a change in Clause 33 of Article 3 of the by-laws of Craik Lodge No. 55. This particular clause reads as follows:—Committee on Applications for Petition Forms.—This committee **shall** consist of all installed Masters of the Lodge and any three of them **shall** form a quorum. A petition form for initiation **shall** not be given to a proposed candidate until the name has been approved by this committee. The committee may require the personal appearance of any petitioner before giving a decision. The amendment proposed to change this clause to read: This committee **shall** consist of three Master Masons to be appointed by the Master at Installation, instead of all Past Masters of the Lodge.

I refused this amendment on the ground that it was "ultra vires" of the constitution and inconsistent with the spirit of Freemasonry, and went further, requesting Craik Lodge to strike Clause 33 entirely out of their by-laws.

Waivers of Jurisdiction

On application of the Grand Lodge of Ireland I granted waiver of jurisdiction over one Charles J. Rigby to enable Francis Crowsle Lodge No. 83 to receive his petition.

I also granted a waiver of jurisdiction to enable a lodge in Alberta to receive the petition of one Mr. Swamstrom.

I refused the application of the Grand Lodge of North Dakota for waiver over one Joseph Rovers Wilson, formerly of Northgale, Saskatchewan, because it involved also an application for special dispensation on account of physical disability.

Official Actions

On December 24th last, I received the resignation of W. Bro. Dutton, as D.D.G.M. of District No. 9, which I accepted and appointed V.W. Bro. Hotham, of Strassburg, to fill the vacancy.

On February 22nd, 1919, a charge of unmasonic conduct was laid against M.W. Bro. H. H. Campkin by the Chairman of the Board of Trustees of the Benevolent Fund.

Upon the charge being laid before me, I appointed the undermentioned Brethren under Rule Three, respecting trials for Masonic offences, a commission to hear the charge. M.W. Bro. L. Morris, Regina; M.W. Bro. A. S. Gorrell, Regina, and M.W. Bro. W. M. Thompson, Qu'Appelle. The commission sat and heard the charge in the Board room, Regina, on Saturday, April 19th. The proceedings of the trial, together with the findings of the Commissioners will be laid before you by your committee on grievances and appeals.

I approved changes in dispensations of Lodges U.D., as follows:—in Sceptre Lodge, Bro. J. Gaffield to be senior warden, instead of Bro. C. J. Binney, originally named.

In Hawarden Lodge, Bro. H. Battersby to be Worshipful Master, instead of Bro. McArthur, and in Leader, Bro. F. H. White to be Senior Warden, instead of F. D. R. Battley, and Bro. W. M. Thomson to be Junior Warden, instead of J. G. Edgar.

On November 24th last I issued the following edict:—

GRAND LODGE OF SASKATCHEWAN

A.F. & A.M.

Office of the Grand Secretary

Regina, Nov. 4th, 1918.

To all our Faithful and Loving Brethren Greetings:

Know ye by these presents that:

WHEREAS the Grand Jurisdiction of Saskatchewan is grievously suffering from an epidemic of contagious influenza which has affected every part of the Province of Saskatchewan, and

WHEREAS the Constitution requires that in many constituent Lodges the election of officers for the year 1919 be held at the regular meeting in November, and

WHEREAS in many municipalities public meetings of all kinds have been forbidden by the constituted authorities.

BE AND IT IS HEREBY ENACTED that all constituent lodges holding under the Grand Lodge of Saskatchewan A.F. & A.M., which elect officers in November, are granted permission to hold the election of officers at such convenient time before the 27th day of December next as may conform with the above mentioned conditions; provided the constitutional seven days clear notice of such meetings whether regular or emergent be given to all the members of the constituent lodge concerned.

ROBERT YOUNG,
Grand Master.

Attest:

W. B. TATE,
Grand Secretary.

(Seal)

It was my pleasure to hold District meetings and lodges of instruction at Elrose in District No. 12, Saskatoon in District No. 5, Kincaid in District No. 14, Moose Jaw in District No. 3, Swift Current in District No. 11, Nokomis in District No. 10, Biggar in District No. 13, Battleford in District No. 7, and Regina in District No. 2.

At all these meetings, I was accompanied by M.W. Bro. Tate, Grand Secretary, and V.W. Bro. Cummings,

Grand Chaplain. The Grand Secretary gave instruction in the Esoteric Work and went into all matters of a routine nature, in which the Lodges were interested, and the Grand Chaplain gave interesting and instructive addresses on masonic subjects.

The attendance was very satisfactory and the interest displayed in the work most encouraging. Time will not permit of separate comment regarding each meeting. There was much to commend in connection with each one.

If I venture on a few words of suggestion, it must not be construed as fault-finding, but as an evidence of a desire that they be made even more useful in the future than they have been in the past.

The meetings should be planned to be of distinct educational value to those attending. A definite plan of subjects for discussion should be made out so as to guard against mere drifting. Different subjects could be allotted to brethren from different lodges, and all should come prepared to do their share and to give as well as to receive.

It was a matter of great regret that the meetings called to be held at Carlyle, Estevan, Qu'Appelle and Balcarres had to be cancelled on account of the influenza epidemic. To the brethren of these Districts, I offer my sincere regrets and hope that my successor will be more fortunate than myself.

At our last communication, charters were granted to the following lodges, all of which have been constituted and their officers installed:—

Meyronne at Meyronne, Mossbank at Mossbank, Togo at Togo, Philathea at Nokomis, Ardath at Ardath, Dinston at Dinsmore, Elrose at Elrose, Eston at Eston, St. George at Moose Jaw, Tyrian at Edam, and Kincaid at Kincaid.

Brethren, the great need of the hour is service. We are living in a time of rapidly changing conditions and great social and industrial unrest. We cannot, we dare not neglect the great currents of thought and action that flow around us. Ours is not merely an ornamental institution. Our fraternity was planted to bear fruit. The Masonic Fraternity must justify itself as a constructive power in this constructive age. The days are upon us when institutions such as ours must stand for something or stand aside.

Then Brethren, ask yourselves this question.—Are we rendering the best service of which we are capable?

“Life is a mirror of king and slave,
’Tis just what you are and do;
Then give to the world the best you have
And the best will come back to you.”

Finally, Brethren, let me express my deep appreciation of the high honor you conferred on me in electing me to the office of Grand Master of the Masons of Saskatchewan. My limitations and short-comings, I hope you will look on with the kindly eye of charity.

I am deeply indebted, especially to M.W. Bro. Tate, Grand Secretary, who always gave me most valuable assistance, and to V.W. Bro. W. B. Cummings, Grand Chaplain, who this year has rendered distinguished service to the craft.

Fraternally submitted,

ROBT. YOUNG,
Grand Master.

LETTERS AND TELEGRAMS

Letters and Telegrams were read from the following Brethren expressing their regrets at not being able to be present: M.W. Bro. W. B. Willoughby, P.G.M.; M.W. Bro. J. A. Ovas, H.P.G.M.; R.W. Bro. F. S. Procter, P.D.D.G.M.; V.W. Bro. W. B. Cummings, Grand Chaplain; W. Bro. Thomas Fox, W.M. Victory Lodge U.D.

Letters were read from the following Grand Representatives of the Grand Lodge of Saskatchewan: R. W. Bro. J. Obed Smith, Grand Representative of the Grand Lodge of Saskatchewan near the Grand Lodge of England; R.W. Bro. James Evans, Grand Representative of the Grand Lodge of Saskatchewan near the Grand Lodge of South Australia.

The following letter was read from the Grand Lodge of Nova Scotia:

“To the Contributors of the Halifax Masonic Disaster Fund:
Fraternal Greetings,

The Most Worshipful Grand Lodge of Ancient, Free and Accepted Masons of Nova Scotia, desire to record its just appreciation of the manner in which the Most Worshipful Grand Lodges, Worshipful Subordinate Lodges and individual Brother Masons came to the rescue of the members of the Masonic Fraternity who

were stricken and suffered through the appalling disaster in the City of Halifax December 6th, 1917, when in a moment so many of our Craft were instantly killed, many others injured and the families of many more left in dire distress.

Not only were the contributions of inestimable benefit at the moment, but the spirit which prompted the speedy relief stimulated the work of recovery. It will be gratifying to those who shared in this great work to know that through the agency of the relief, those who survived were fully re-established and today the sad and terrible memory is all that lingers to remind them of the fateful moment and the untold suffering that immediately followed.

The funds so generously contributed were husbanded and appropriated in accordance with the best traditions of Masonry. A responsible committee had the administration in hand. It was allocated so that the greatest good would result. The work has been approved by Grand Lodge and blessed by those who were the recipients of its benefactions.

No greater instance of the benefit of true Masonic relief could be exemplified than that which unsolicited was afforded to the suffering Masons of the City of Halifax. The spirit of Fraternity that breathed through the relief will ever be remembered by those who knew of its benefits. It forged anew the links that bind the Great Brotherhood of Man.

Fraternally and gratefully,

DONALD F. FRASER, P.G.M.

JAMES C. JONES, Grand Secretary.

Committee."

An invitation was read from the Regina City Lodges extending a hearty invitation to Grand Lodge to hold its next Annual Communication in June, 1920 in the City of Regina.

The following letter was read from Radisson Lodge No. 97:

"At a meeting of Radisson Lodge No. 97 G.R.S. it was moved by W. Bro. Clark and seconded by Bro. J. H. Marshall that the following resolution be forwarded to Grand Lodge: 'The Brethren of Radisson Lodge No. 97, G.R.S., respectfully suggest to Grand Lodge that they consider seriously the advisability of having prepared some suitable recognition of the services rendered by our splendid volunteer soldier Brethren, of this Grand Jurisdiction, during the past four years of war; preferably a suitably worded parchment, acknowledging said services to the Country, the Empire, and Humanity at large.

The Brethren realize that no greater living example of the practical demonstration of the principles and tenets of Masonry could be found today than that shown and exemplified by our Volunteer Brethren, and they feel that some uniform recognition by Grand Lodge would mean a great deal more to the recipients than any individual efforts of the subordinate Lodges.'

Yours fraternally,

A. H. CLARK, Secretary."

SPECIAL ORDER

The M.W. the Grand Master announced that the election of Officers would take place at 11 a.m. Thursday.

REPORTS OF DISTRICT DEPUTY GRAND MASTERS

FIRST MASONIC DISTRICT

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A.F. &
A.M.

Most Worshipful Grand Master and Brethren,—

I have the honor as District Deputy Grand Master
for District No. 1, to submit herewith the following re-
port:—

Kinistino No. 1—Prince Albert

I visited this Lodge on March 13th, when an emerg-
ent meeting was held on my request. There was a good
attendance, and every officer was in his place. The
first and second degrees were conferred in a perfect
manner. Special mention should be made of the exami-
nation passed by the candidate for the second degree;
every question being answered without the slightest er-
ror. The M.W. the Grand Master was present on this
occasion, and gave some very useful advise.

Duck Lake Lodge No. 13.

I visited this Lodge at their regular meeting on
March 12th. On account of bad weather, the attendance
was rather small. Both Wardens were unavoidably
away from home at the time. There were no degrees
conferred, but the opening and closing were creditably
done. The Secretary has given the books considerable
time and attention, and they are now in good condition.
The dues are practically all paid.

This Lodge is fortunate in having R.W. Bro. Faw-
cett as W.M.

.

Melfort Lodge No. 18.

I paid my official visit to this Lodge on February 11th, when two candidates were initiated. The ceremony was conducted in a creditable manner by W. Bro. McLaughlin, who was ably supported by the other officers. The method of keeping the books has been much improved, and they are now in good shape.

On this occasion, I had the pleasure, on behalf of Melfort Lodge, of presenting to W. Bro. Lang, a beautifully framed life membership certificate, as a token of his long and faithful service to the Lodge.

Rosthern Lodge No. 22.

I paid my official visit to this Lodge on March 11th, when a special meeting was held, on my request. There was not a regular candidate on hand, so the first degree was exemplified with a substitute. The work of all the officers was very well done. The attendance was good, and all seemed to take an interest in the welfare of their Lodge.

Prince Albert Lodge No. 63.

I visited this Lodge at their regular meeting on March 14th. After the routine business was finished a candidate was initiated. The work of the three principal officers was well done. Some of the assistant officers being absent their places had to be filled by others.

The M.W. the Grand Master was also present on this occasion.

Carrot River Lodge No. 69.

I visited this Lodge officially at their regular meeting on February 10th, when one candidate was initiated and another was passed to the second degree by W. Bro. Maynard and the other officers. The work was well done. The books are kept in good condition, and I found only one member in arrears for dues. Their Lodge room is well furnished, and in every way suitable for Masonic purposes.

Tisdale Lodge No. 76.

I have not visited this Lodge officially, but have attended nearly all their communications. Owing to

serious sickness, the .W Master elect, Bro. M. A. McKay, has not yet been installed, as it has been impossible for him to attend. His work in the Lodge has been done by the past masters.

Birch Hills Lodge No. 127.

I paid my official visit to this Lodge at their regular meeting, April 16th, when two candidates were initiated. The work of the W. Master and other officers was well done. On behalf of the Lodge I was requested by the W. Master to present W. Bro. R. H. McCracken with a Past Master's Apron.

In conclusion, I wish to thank the Brethren of the District for the honor conferred on me in selecting me District Deputy Grand Master, and for the kindness and hospitality shown me on all my official visits.

All of which is Fraternally submitted,

WM. MCGOWN,

D.D.G.M. District No. 1.

SECOND MASONIC DISTRICT

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan A.F. &
A.M.

Most Worshipful Grand Master and Brethren:

I have the honor of submitting my report on the condition of Masonry in the Second Masonic District.

A great many changes have taken place since the Annual Communication at Moose Jaw a year ago. At that time the Great War was on, while on the 11th of November the Armistice was signed. Then there was the epidemic of influenza which broke out and took away a great number of our Brethren and people. When I was elected to the office of D.D.G.M. I intended visiting every Lodge in the District once or twice. I have not done so owing to the fact that I was not feeling well from about the middle of November until the middle of March and in fact have never felt as well since the influenza.

District Meeting

The District Meeting was called to meet at Regina in November, but owing to the influenza epidemic was cancelled and held in February. Every Lodge in the District was represented with the exception of four and we had a very successful meeting. Instruction in the three degrees was given at the afternoon meeting, which was in charge of the Grand Secretary. The evening meeting which was in charge of the M.W. the Grand Master, was devoted to the Study of Social and Intellectual Masonry and able addresses were delivered by the M.W. the Grand Master and several other Grand Lodge Officers and the Lodges that I visited after the meeting declared that they benefitted by it.

Wascana Lodge No. 2, Regina

I visited Wascana Lodge No. 2, on March 24th, at an emergent meeting and witnessed the work. I know that the work in Wascana, under W. Bro. Hopkins, is very good as I have seen him put on degrees at various times. The books are in excellent condition.

N. W. M. P. Lodge No. 11, Regina

I visited the N.W.M.P. Lodge No. 11, on Thursday evening, March 27th, at an emergent meeting. It was my pleasure at this meeting to witness M.W. Bro. Tate's son initiated into the first degree. This Lodge is in good shape, the W. Master and Officers are proficient in their work and the books in charge of W. Bro. Moore are in fine condition.

Golden Rule Lodge No. 32, Pense

I visited Golden Rule Lodge No. 32 at an emergent meeting in April. This Lodge is doing very good work under the careful guidance of the past D.D.G.M. R. W. Bro. Stewart. The degree work was most creditable and the Brethren at Pense lived up to their standard by giving myself and the Brethren accompanying me a very good time.

Rouleau Lodge No. 40, Rouleau

I visited Rouleau Lodge No. 40 on the evening of June 9th, at a regular meeting. The three degrees were

put on in a most creditable manner by the W. Master. The Lodge books are in good condition. Rouleau Lodge is now having a number of applications and I was glad to see that the Lodge is doing good work.

Drinkwater Lodge No. 41, Drinkwater

I visited Drinkwater Lodge on December 27th, on the night of the Installation of Officers. The only officer installed was the Secretary as the remainder were all re-elected.

I again visited Drinkwater Lodge on the evening of June 12th. This Lodge is now doing fine work. A great number of applications for initiation are being presented. The W. Master and his Officers worked the first and second degrees in a very creditable manner, and can be complimented on their work, owing to the fact that they are under the careful eye of W. Bro. Anderson. The books of the Lodge are in good shape.

Assiniboia Lodge No. 49, Regina

On March 21st, I visited Assiniboia Lodge No. 49, at a regular meeting. No degrees were put through. Owing to the absence of W. Bro. Elliott, who was not able to be present on account of sickness, the Lodge was in charge of W. Bro. Adam. This Lodge is in good working order. The books also are in good condition.

Corinthian Lodge No. 72, Lumsden

I visited Corinthian Lodge on September the 10th. This Lodge is in good condition. The books which are under the care of W. Bro. Kerr are in good shape, the Historical Register being all written up, this is especially praiseworthy, owing to the fact that most of the records had been destroyed by fire. The W. Master worked the first and third degree in a very creditable manner.

King Hiram Lodge No. 104, Regina

On the evening of June 10th I visited King Hiram Lodge No. 104. As this is my own Lodge, I will not compliment the work but I can assure you that King Hiram Lodge is doing good work. I have only missed one meeting of the Lodge during the past year and only six meetings since it was instituted. I have always made it a point to be at this Lodge at every meeting

when I was in the city. The books are in excellent condition under the charge of Bro. Lawrie.

I was unable to visit Manitou Lodge No. 64, Acacia Lodge No. 101, Long Lake Lodge No. 108, and Simpson Lodge No. 121.

I wish to thank the Brethren who elected me to the position of D.D.G.M. and also the Brethren who accompanied me on my visits to the various Lodges. I am only sorry that I cannot submit a better report to show my appreciation of what the Brethren have done for me.

Yours fraternally,

L. C. HARRIS,

D. D. G. M. District No. 2.

THIRD MASONIC DISTRICT

To the Most Worshipful the Grand Master, Officers and
Members of the Grand Lodge of Saskatchewan,
A. F. & A. M.

I have the honor to submit herewith my report as District Deputy Grand Master for the Third Masonic District.

Considerable difficulty was experienced in visiting the Lodges in this district, owing to the fact that no meeting were held, while the epidemic of influenza was prevailing and the train service made visiting very inconvenient during the winter months.

Official visits were made to all Lodges with the exception of three, and I have already completed arrangements to visit two of these before the meeting of Grand Lodge.

The condition of Masonry in District Number Three is highly satisfactory. The Lodges are all in the hands of capable officers and the secretaries of the several Lodges are very efficient and have their books and records in good shape.

During my visits I endeavored to call the attention of the officers to their duty to their newly initiated Brethren, not only in complying with the forms and

ceremonies of conferring the several degrees, but in seeing that the Brethren were instructed and helped in every way to make themselves acquainted with the Allegories and Symbols of the degrees.

At the request of the Most Worshipful the Grand Master I notified all the Lodges in the district to attend a Lodge of Instruction at Moose Jaw on September 19th, 1918, under the Charter of St. George Lodge No. 136.

The Most Worshipful the Grand Master, the Grand Secretary, M. W. Brother Jas. McCauley and a large number of Grand Lodge Officers and visiting Brethren were present, and the work of the several degrees was exemplified, M. W. Brother Tate taking charge of the instruction.

Moose Jaw Lodge No. 3, Moose Jaw

This being the Lodge of which I am a member, I have attended several meetings during the year, but was received officially on May 13th, 1919. This being a regular meeting no degree work was taken up, but the officers for the year are capable of performing these duties in a very efficient manner. The books are well kept and show no members twelve months in arrears, a very satisfactory condition considering the large number of members.

Caron Lodge No. 42, Caron

I visited this Lodge on April 10, 1919, and found it in a good healthy condition. Unfortunately the Worshipful Master has been absent for some time, as was the Worshipful Master of last year, and the work has been carried on to a great extent by the Past Masters, who are enthusiastic attendants.

On the evening of my visit the third degree was conferred in a very satisfactory manner by R. W. Bro. Gilmour.

The books are well kept and the affairs of the Lodge in good shape.

Elbowview Lodge No. 56, Elbod

I received a letter from the Secretary of Elbowview Lodge, notifying me that a meeting of this Lodge would be held on April 29th, 1919, and requesting me to be present.

I proceeded to Elbow on that date only to find that as the members would be unable to attend, owing to seeding being in progress, the meeting had not been called. I regret that it will not be possible to visit Elbowview Lodge before the annual meeting of the Grand Lodge, but have the assurance of R. W. Bro. Coglán that the officers are very efficient and that everything is going well with this Lodge. The books and records were examined and found to be in good shape, and the Lodge in a very favorable position.

Eyebrow Lodge No. 67, Eyebrow

This Lodge was visited officially on May 20th, 1919, without notification of an intended visit.

The attendance was very good and the third degree conferred in a very favorable manner on two candidates.

This Lodge is well attended by its Past Masters, the books and records are well kept and the condition of Masonry in the Lodge and among the members all that could be desired.

Doric Lodge No. 71, Moose Jaw

I have attended several meetings of this Lodge during the year, but was received officially on May 21st, 1919.

This was Past Masters' night, and the several offices were filled by Past Masters. The third degree was conferred in an excellent manner, showing that the Past Masters of this Lodge have not neglected their Masonic duties at the close of their term of office.

I hope to visit Doric Lodge again when the regular officers will be in charge, but the work in this Lodge is well done and the books and records in good order.

Tugaske Lodge No. 78, Tugaske

On November 25, 1918, accompanied by W. Brother Montgomery, I made an official visit to Tugaske Lodge.

The books are well kept and the Lodge in a very favorable condition.

Briercrest Lodge No. 88, Briercrest

This Lodge was visited by me on May 14, 1919, on which occasion I was accompanied by Worshipful Bro. Hodge.

No degrees were conferred as they have had no candidates for some time, but the officers who are serving their second term are well skilled, and capable of performing all their duties.

The books are well kept and the Brethren take a keen interest in their Lodge.

Mortlach Lodge No. 107, Mortlach

I have been unable to visit this Lodge up to the present, but have arranged to visit them before the meeting of Grand Lodge.

Central Butte Lodge No. 114, Central Butte

A visit was planned for this Lodge at their regular meeting in May, but owing to a storm, was unable to get there. Have made arrangements to visit this Lodge at their regular meeting on June 10, next.

St. George Lodge No. 136, Moose Jaw

This Lodge was constituted and consecrated by the Most Worshipful the Grand Master on Sept. 19th, 1918, the ceremony being followed by a Lodge of Instruction for the Third Masonic District.

I have attended several meetings during the year, and the officers confer the several degrees in a very efficient manner.

On the evening of May 16th, 1919, when I was received officially, no degrees were conferred, but a very pleasant and profitable evening was spent.

St. George Lodge has a very capable Secretary and is one of the best Lodges in the Third Masonic Lodge.

Riverhurst Lodge U.D., Riverhurst

On May 8th, 1919, I made an official visit to Riverhurst Lodge. The attendance was excellent, several Brethren from Elbow, Central Butte and Tugaskie being present.

The W.M. conferred the first degree on two candidates in a very creditable manner, the books are well kept and this Lodge should have a prosperous future. I have no hesitation in recommending that Riverhurst Lodge be granted a Charter.

In conclusion I wish to thank the Brethren for having elected me to this honorable position and only regret that I was unable to spend more time visiting their Lodges. I also wish to thank them for the cordial reception given me on each of my official visits.

FOURTH MASONIC DISTRICT

To the Most Worshipful the Grand Master, Officers and
Members of the Grand Lodge of Saskatchewan,
A. F. & A. M.

Most Worshipful Grand Master and Brethren:

I have the honor of submitting my report on the condition of Masonry in the Masonic District it has been my pleasure and privilege to represent.

At the outset of my appointment I planned to visit all Lodges in my district three or four times each during the year, as it has always been my opinion that District Deputy Grand Masters do not get around enough, it being almost impossible to my mind to form an idea of the condition of Masonry in any one Lodge by paying one visit a year to the Lodge. I started to visit Lodges in August according to a schedule I drew up in accordance with the above idea, but owing to the serious epidemic of Spanish Influenza which swept over this province, public meetings of all kinds were prohibited and this fact, added to myself having the influenza, disorganized all my arrangements. I have visited all Lodges once and four twice and hope to get round to all for a second visit before Grand Lodge meets in June.

In all my visits to Lodges I have endeavored to impress on the Brethren the importance and necessity of having discussions on Masonic topics, as I think this

would stimulate the general interest. In every Lodge I have brought before the members the subject of the Grand Lodge Benevolent Fund and in many cases found members sadly ignorant of the principles and methods of handling this fund. I gave these points preference to minor questions regarding the work that were raised on my visits, as I have always felt it was more important for D. D. G. M.'s to look after this side of the work rather than waste a lot of time in taking up little points regarding degrees.

I always spent the whole day in any town on my official visit so as to go through all the books and papers during the day. As a whole, the books are in good condition, fuller details regarding these will be found under each Lodge.

District Meeting and Lodge of Instruction

The Most Worshipful the Grand Master had arranged to hold a Lodge of Instruction at Qu'Appelle on October 24, 1918, in the afternoon and evening and I had made all arrangements to have all three degrees exemplified as well as leaving time for Masonic discussion by skilled speakers on topics of general interest to the craft. After all arrangements were completed, owing to Spanish influenza, this meeting had to be cancelled much to my regret and all members of this district who had looked forward to the pleasure of meeting the Grand Master.

Early in February, on learning that the Most Worshipful the Grand Master was to be in Regina at a Lodge of Instruction on the 19th, I wired him to try and arrange a district meeting here for the 20th, but owing to pressing business, he was unable to comply with my request.

Indian Head Lodge No. 5

I attended the regular meeting on August 22, 1918. There was a good number of visitors and Brethren present. The Third Degree was conferred by W. Bros. Howatt and Hubbs. I again visited this Lodge on March 13th. The books are in good shape and up to date. I would like to draw attention to the excellent idea adopted by this Lodge of having a brief historical review of the Lodge printed in their by-laws. This is

an idea which I think might with advantage be copied by all other Lodges.

Qu'Appelle Lodge No. 6

This being my own Lodge, I attended several meetings during the year. On January 14th, I installed the officers of the Lodge.

Moosomin Lodge No. 7

I attended the regular meeting of this Lodge, held on February 12th and was pleased to meet M. W. Bro. Murphy (the first Secretary of my Mother Lodge), R. W. Bros. Stuart and Graham. The East was occupied by W. Bro. Tubman, at whose initiation at Qu'Appelle Lodge I attended some years ago. The books of this Lodge are kept in excellent shape by their Secretary. I had a talk on the Benevolent Fund. I hope to visit again in May.

Ashlar Lodge No. 8

I paid my visit to this Lodge on February 11th. I spent a long time in explaining the objects and methods of handling the Grand Lodge Benevolent Fund and am sure that I cleared up a lot of misunderstanding regarding this and in accomplishing this I feel that if no other result was obtained my visit was not wasted.

The books were in good shape with the exception of the Historical part of the Register, but I was informed that the work of writing this from the organization of the Lodge to 1904, (which is as far as it is written) had been done in 1918 and the Worshipful Master assured me that the work of completing it has been taken in hand and will be completed at an early date.

Evening Star No. 10

I visited this Lodge first on August 13th, 1918 and again on March 18th of this year. On the former visit I saw the first two degrees conferred on a candidate who was leaving for overseas. On my last visit, the third degree was put on by W. Bro. Gordon. After Lodge, a pleasant hour was spent in social intercourse. The books are well up to date.

Sintaluta Lodge No. 14

I attended the regular meeting of this Lodge on August 20th. The Worshipful Master was away on business and the chair was ably filled by R. W. Bro. Mitchell. I paid another visit to this Lodge on March 11th, at which the Master, R. W. Bro. Ewart was present. The books are written up and well kept. So far there has not been an audit for 1918, but this was to be attended to. The junior officers of this Lodge all seem keen on their work, which is always a healthy sign. A social time was spent after Lodge which lasted till the early hours of the morning.

Wolseley Lodge No. 24

I attended the regular meeting held on January 16, and found the new officers in their places for the first time. I installed the J. W. The second and Third degrees were put on by the W. M. and R. W. Bro. Kennedy. There were also four applications before the Lodge, which seems to indicate that Masonry is not dead in this district. The books were in excellent shape and the Lodge is to be congratulated on having W. Bro. Berry as their Secretary. I was sorry to note by the attendance register that the junior officers in 1918 had been very lax in their attendance and I tried to impress on the new officers their duty in punctual and regular attendance at every communication.

Wapella Lodge No. 37

I was present at this Lodge at their regular meeting held in February and was pleased to find a returned soldier, W. Bro. Miller, in the East. The First Degree was exemplified by W. Bro. Franks and the lecture by Bro. Head was perfect. I had to call the W. Masters' attention to the Historical Register, which has not been touched since the Lodge was formed. This matter has been taken in hand by a committee. The books also had not been audited since 1913. A committee was appointed to look after this and I have since been advised this has been done and the books are audited up to date. I had a talk on the Benevolent Fund and was pleased to see that this Lodge has oversubscribed their assessment to this fund, being the first Lodge in my district to do this.

Ekapo Lodge No. 38

I attended the regular meeting held in April, which was the first meeting this Lodge has held this year. This Lodge has few members near Broadview and the Lodge room is not very suitable. The W. M. W. Bro. Richardson has a hard time to get a quorum to keep things alive. Three applications came before the meeting which were the first for over a year. I had a talk on the General Principles of Masonry. I hope to get back to this Lodge for their June meeting.

In conclusion I wish to express to the Brethren of District No. 4 my deepest appreciation for the honor they conferred on me last June in electing me to the office. I can only express my regret at not being able to carry out my programme of visiting as I had originally planned. The duties connected with the office have been a pleasure and on all my visits I have been received with the greatest courtesy.

In closing I would like to express my thanks to M. W. Bro. Tate, who during my term of office, has cheerfully given any advice and assistance whenever asked for.

Fraternally submitted,

A. G. RAWLINSON,

FIFTH MASONIC DISTRICT

To the Most Worshipful the Grand Master, Officers and
Members of the Grand Lodge of Saskatchewan,
A. F. & A. M.:

Most Worshipful Grand Master and Brethren:

As District Deputy Grand Master for the Fifth Masonic District, I beg to submit the following report:

It has been my privilege to visit once officially each Lodge in the district, and on every occasion I was received in a very cordial and fraternal manner. I found all the Lodges active and very enthusiastic. The condition of Masonry throughout the district is very satisfactory, and the various Lodges appear to be working harmoniously.

Owing to the recent epidemic of "flu," I was unable to carry out the plan I had intended, of visiting most of the Lodges twice during my term of office.

In some instances the average attendance of the members is not as large as it should be, particularly in my own city, where each Lodge has a large membership.

The Historical Registers are well kept, and all are written up to date.

Every Lodge in the district is doing the work in a very efficient manner, and I believe this is due to a certain extent to the labors of my predecessors. It will always be a source of pleasure to me to recall my visits to the various Lodges.

I wish to thank the Brethren of the district for the high honor conferred in electing me as their District Deputy Grand Master, and for their courteous reception on each visit, and trust that my labors have not been in vain.

District Meeting and Lodge of Instruction

By request of the M. W. the Grand Master, I arranged a District meeting and Lodge of Instruction for the District to be held at Saskatoon on September 17th, of which each Lodge in the District received due notice, but, owing to the very busy season, very few of the Lodges were represented.

Among the Grand Lodge officers present were the M.W. the Grand Master; M.W. Bro. Tate, Grand Secretary and V. W. Bro. Cumming, Grand Chaplain and M. W. Bro. Anderson, P.G.M.

In the afternoon Ardath Lodge No. 132 was constituted by the M. W. the Grand Master, assisted by M. W. Bro. Tate.

In the evening the first degree was exemplified by officers selected from Saskatchewan Imperial and Progress Lodges in a very impressive manner. M. W. Bro. Tate then gave instruction in the various degrees in his usual able manner, which was well received by the Brethren. After a short address by the M. W. the Grand Master, the meeting closed, retiring to the banquet hall, where the visiting Brethren were entertained by the city Lodges.

Saskatchewan Lodge No. 16, Saskatoon

I made my official visit to this, my own Lodge on April 15th. I am pleased to say that the work is being carried out in keeping with the reputation enjoyed by this Lodge in the past. W. Bro. Greenaway conferred the Second Degree in a very able manner. Bro. Todd, as Secretary, has the books in good shape. I am pleased to report that the Historical Register of this Lodge has at last been written up.

Hanley Lodge No. 28

On April the 17th, I journeyed to Hanley on my official visit. On my arrival I found my notice of visit, which was mailed on April 3rd and received on April 5th, was still unopened, having been overlooked by Bro. Kilpatrick; consequently there was no meeting held. However, I spent a few very pleasant hours among the Brethren.

I have been particularly busy since that date, and have been unable to visit this Lodge again.

I would like here to make an explanation, also offer a suggestion.

On notifying this Lodge of my visit, my communication was addressed to the Secretary, as appears in proceedings of Grand Lodge of 1918.

I would suggest that all installation take place in June, instead of December, then the Secretary's name would appear in the proceedings of same year. This would eliminate considerable inconvenience for the D. D. G. M., also the newly elected officers would be better qualified to exemplify the work on the visit of the D.D.G.M., which invariably takes place early in the year following his appointment.

Davidson Lodge No. 33

It was my privilege to visit this Lodge officially on February 14th. I was honored by the company of M. W. Bro. Andeson, R.. W. Bro. Rutherford, W. Bros. Hedly, McGregor, May, Fox; Bros. Overholt, Grant, Pinfold, Butzer and Crane. I appreciated the kindness and hospitality extended to me and my guests by the Brethren of Davidson Lodge on this visit.

Owing to the illness of W. Bro. Easter, W. Bro. Coutts presided, and conferred the Third Degree in a very able manner, ably assisted by the Wardens and other officers.

The books of the Lodge are in excellent shape.

The Brethren appear to be very enthusiastic and take a deep interest in Masonry.

Craik Lodge No. 55

My official visit to Craik Lodge was made on March 12th. Accompanying me was M. W. Bro. Anderson and W. Bro. Taylor. I received a very warm reception by the members, there being a large attendance.

This Lodge, having been placed in District No. 5 at the Grand Lodge meeting held in Moose Jaw last year, I made my visit, expecting to see the work exemplified in perfect form, and I can say that my expectations were realized, the W. M. Bro. Redding conferring the Second Degree in a splendid manner, being ably supported by his staff of officers. W. Bro. Insul, the Secretary, has the books in good shape, everything being up to date.

The Masonic enthusiasm which prevails among the Brethren is very noticeable.

Imperial Lodge No. 60, Saskatoon

I had the pleasure of visiting this Lodge on May 14, and was cordially received.

It being a regular meeting, there was no work exemplified, but as I have had the opportunity of visiting them on different occasions, I know that the W. M. and his staff of officers are well up in every part of the different degrees.

The Past Masters, of whom there are many, give every support to the W. M. and harmony prevails, every member seeming to work for the benefit of the craft. R. W. Bro. Swain has the books in excellent shape, and devotes much of his time for the advancement of Masonry.

Twin City Lodge No. 89, Sutherland

I had the pleasure of visiting this Lodge on March 24th, accompanied by M. W. Bro. Anderson, W. Bros.

May, Fogg, Taylor, Snowden and several other members of the city Lodges. We were cordially received.

The W. M., Bro. McLean conferred the First Degree on two candidates in good form. I am pleased to say that Twin City Lodge is once more getting back into good shape, and is having a good attendance. A keen interest is being displayed in the work. The books are in good order.

After Lodge closed we were royally entertained.

Progress Lodge No. 92, Saskatoon

My official visit was made to this Lodge on March 27th, there being a good attendance. I received a very cordial reception. It has been my privilege of meeting with Progress Lodge on different occasions.

I know of no Lodge where the officers take a greater pride in their work. W. Bro. Snowden exemplified the Third Degree in a manner that I believe cannot be excelled in the District, and his Wardens and Junior Officers were equally as good.

The true Masonic spirit prevails, and there appears to be an effort to stimulate the principles of Free Masonry.

The books are in good shape.

Evergreen Lodge No. 95, Harris

I visited Evergreen Lodge on April 9th, Bro. Greenaway accompanying me. The members of this Lodge are mostly isolated. However, there was a large turnout. The Third Degree was exemplified by the W. M. and his officers, leaving very little room for criticism. W. Bro. Brown has the books in excellent shape. The outlook for this Lodge is good, and the entire membership appear to be very enthusiastic.

It will always be a pleasure for me to recall my visit to this Lodge, and the kind reception which I received.

Goose Lake Lodge No. 99, Delisle

On the evening of March 10th, I was officially received by the members of Goose Lake Lodge.

This Lodge has many members who are situated at some distance. However, there was a good attendance.

Unfortunately, W. Bro. Graham was suffering from the "flu," and was unable to be present.

R. W. Bro. Finch, acting W. Master, conducted the usual business, this being a regular meeting, in conformity with the Constitution, and then turned it into a free and easy meeting, in which the various aspects of Masonry were discussed, in which the Brethren took an active part.

I was informed by R. W. Bro. Finch that the W. M. can confer all three degrees. Bro. MacDonnell, as Secretary, I believe is an acquisition to the Lodge, as he has the books in good shape, and is deeply interested in the advancement of Masonry.

I was accompanied on my visit by W. Bro. Greenaway, W. Bro. Richmond and W. Bro. Summerfeldt.

Dundurn Lodge No. 117

I made my official visit to this Lodge on April 2nd, W. Bros. Greenaway, May and Bro. Dr. Francis accompanying me.

The First Degree was conferred on a candidate by W. Bro. Summerfeldt and his officers in a very impressive and capable manner.

The lecture, given by the J. W., and the charge by the S. D. are in keeping with the excellent work for which this Lodge is noted.

The books are in good shape, and the Lodge must be congratulated, as this is the only Lodge in the District having all dues paid to date.

Ardath Lodge No. 132

I visited this Lodge on October 17th, accompanied by W. Bros. Tupling, May, Hedly and Fogg, also Bros. Irvine, Butzer, Young and Ferguson.

Owing to a very heavy rain setting in just before my arrival, the attendance was not very large, but those present appeared to be very enthusiastic, and taking a deep interest in anything for the advancement of Free Masonry. W. Bro. Gibson exemplified the Third Degree in a very efficient manner, and was ably supported by his staff of officers. Bro. Silverthorne has the books in good shape.

In a very great degree the success of this Lodge is to be attributed to the untiring zeal of W. Bro. Gibson. There is good material in this Lodge, and they are capable of carrying on the work in good form.

Victory Lodge U. D., Saskatoon

I had the pleasure of instituting this Lodge on January 31st, being assisted by R. W. Bro. Swain, and W. Bro. Hedly, the M. W. Grand Master being present.

I wish to congratulate the Lodge in the selection of its officers.

The prospects are favorable to its becoming a good strong Lodge, the members all taking a keen interest. After the institution ceremonies had been concluded, we retired to the dining hall, where a profitable hour was spent socially, the M. W. the Grand Master delivering an address which left a deep impression on every one present.

On the evening of April 19th, I visited Victory Lodge officially, when I was received right royally.

The W. M. Bro Fox and his officers exemplified the First Degree in a very impressive manner.

Bro. A. Ross, Secretary, has the books in good shape, in fact, one of the best in the District.

Owing to the lateness of institution of this Lodge, I would recommend that the Dispensation be renewed.

J. J. Lamb,

D. D. G. M. District No. 5.

SIXTH MASONIC DISTRICT

To the Most Worshipful the Grand Master, Officers and
Members of the Grand Lodge of Saskatchewan,
A. F. & A. M.:

Most Worshipful Grand Master and Brethren:

I have the honor, as District Deputy Grand Master, to submit the following report on the condition of Free Masonry in the Sixth Masonic District.

I visited all the Lodges in this District during my term, with the exception of Lang Lodge No. 34. I am

pleased to report that the condition of Masonry in this District is very satisfactory. In some of the Lodges there is a dearth of new material, but there is no inclination on the part of our Brethren to lower the high standard of Masonry or resort to other means in order to remedy this state of affairs. I find throughout the District a desire for more Masonic knowledge and would urge a more systematic discussion and study of the History, Antiquity, Emblems and Symbols of the craft at the regular meetings, and suggest that Grand Lodge make recommendations to the different Lodges in order to gain the desired end.

I find at Yellow Grass Lodge No. 96, Latomia Lodge No. 125, Golden Fleece No. 50, that the minutes of the History, Progress and Formation of the Lodge have not been written up; at Amity No. 15, Estevan No. 25, Alameda No. 27, and Weyburn No. 20, that the Historical Register has been only partially written up, this should all be completed by the time my successor visits these Lodges.

Owing to the outbreak of the "Spanish Influenza," the District meeting and Lodge of Instruction, called in the month of October, 1918, had to be cancelled. This was a big disappointment to all the Lodges of the District. Arrangements had been made by Estevan Lodge for the entertainment of the representatives of all Lodges and the officers of the different Lodges had agreed to take part in exemplifying the work of the several degrees.

Amity Lodge No. 15, Carnduff

I paid my official visit to this Lodge on Thursday, January 16th, 1919. This Lodge has a number of Past Masters, who are regular attendants at all the meetings. R. W. Bro. Miller assures me that the degree work is well and impressively done. The opening and closing exercises were well done by the Worshipful Master and officers. The books of the Lodge are well kept with the exception of the Historical Register, which is not written up to date.

Estevan Lodge No. 25

I visited this Lodge on Friday, January 17th, 1919. There was a very large attendance of the members and a number of visitors at this meeting. W. Bro. New-

combe conferred the Third Degree in a very impressive and satisfactory manner. This Lodge is to be congratulated on having very efficient officers and on being so well supported by the Brethren attending the regular meetings of the Lodge. The books of the Lodge are well kept and in excellent shape with the exception of the Historical Register not being written up for the past year.

Alameda Lodge No. 27

I visited this Lodge on Tuesday, February 11, 1919. The membership in this Lodge is small and owing to adverse crop conditions, there has been very little new material presented for some time. I find the W. Master well skilled in his work and all the Brethren present at this meeting appear to be enthusiastic and energetic workers. The books of the Lodge are well kept, except the Historical Register which is not written up to date.

Lang Lodge No. 34

Through unforeseen circumstances I have been unable to visit this Lodge, but I am arranging to visit them on their regular meeting during this month (May) and will endeavor to get the report to the Grand Secretary in time for Grand Lodge.

Boscurvis Lodge No. 39, Oxbow

I visited this Lodge on Monday, April 21, 1919. The Worshipful Master conferred the Second Degree in a very able manner. The Lodge has a number of Past Masters who take a keen interest in Masonic work and are regular in attendance at the meetings of the Lodge. I find the W. Masters, officers and members very keen on keeping up the high standard of Masonry. The books of the Lodge are well kept and are up to date.

Golden Fleece Lodge No. 50, Halbrite

I visited this Lodge on Wednesday, April 23, 1919. The Worshipful Master, assisted by his officers, conferred the First Degree in a very satisfactory manner. The books of the Lodge are well kept except the Historical Register. There has been no attempt at keeping the later, there being no entries made at the institution of the Lodge, nor has there been any made since. I

have the promise of the Worshipful Master and the Secretary that this would be written up before the meeting of Grand Lodge.

Border Lodge No. 52, Gainsborough

I visited this Lodge on Wednesday, February 12th, 1919. The membership of this Lodge is small, owing to a number moving away from the town who were prominent in the Lodge. The few members present endeavor to keep Masonry up to a high standard. The Worshipful Master conferred the First Degree in a very able manner. The books of the Lodge are well kept and are up to date.

Weyburn Lodge No. 2 and Latomia Lodge No. 125

I made a joint visitation to these Lodges on Friday, March 21, 1919. The Worshipful Masters of both Lodges are efficient and well posted in all branches of Masonic work. Weyburn Lodge conferred the First Degree and Latomia Lodge conferred the Second Degree, in both instances this was done in a very impressive and satisfactory manner. These Lodges are to be congratulated on having exceptionally good officers and from the stamp of material presented will continue to be of the foremost Lodges of the District. The books of these Lodges are well kept except that Weyburn Lodge No. 20 had not their Historical Register up to date and Latomia Lodge No. 125 had no record made in the minutes of their Historical Register.

Yellow Grass Lodge No. 96

I visited this Lodge on Wednesday, August 21, 1918. I find that the Lodge is working in harmony, although there was very few out to this meeting. The Worshipful Master conferred the Second Degree in a very impressive manner. The books of the Lodge are well kept except that the Historical Register has not been written up.

Ceylon Lodge No. 116

This is my own Lodge and I have attended practically all the meetings. The W. Master and officers are energetic and efficient workers and are endeavoring to profit by the errors that have been made in the past. The books of the Lodge are well kept and up to date.

In conclusion I wish to thank the Brethren of District No. 6 for the kindly reception and brotherly hospitality extended to me throughout the District and would ask the Brethren to throw the Broad Mantle of Masonic Charity on all my short-comings. While I have given my best endeavors to the performance of the duties of my office, I have come far short of my ideal of what the office demands, but sincerely trust that my effort has not been in vain. I shall ever retain pleasant memories of the visits paid and acquaintanceships formed during my term of office.

Fraternally submitted,

JOHN R. MORLEY,

D. D. G. M. District No. 6, A. F. & A. M.

SEVENTH MASONIC DISTRICT

To the M.W. the Grand Master, Officers and members of
Grand Lodge of Saskatchewan, A.F.A.M.
Most Worshipful Grand Master and Brethren.—

I have the honor as District Deputy Grand Master for district No. 7 to submit the following report:—

District Meeting and Lodge of Instruction

Acting on instruction of the Grand Master I called a meeting on Wednesday, September 27th at North Battleford to constitute Tyrian Lodge No. 137 and also to hold a Lodge of instruction.

Tyrian Lodge was constituted during the afternoon and the ceremony was well attended. The Lodge of instruction was held in the evening and Ionic Lodge room was taxed to its limit for accommodation, every Lodge in the district but one was represented and the enthusiasm of the brethren shown by the effort they made to be present.

District No. 7 is realizing the necessity of attending the district meetings and lodges of instruction called from time to time in the district, as it is at these meetings they are able to mingle with the brethren from other parts of the district and gain an added enthusiasm as well as perfect themselves in the degree work.

At the close of the Lodge of instruction Ionic Lodge entertained the visitors in her usual excellent manner.

Battle Lodge No. 19—Battleford.

I had the pleasure of visiting this Lodge on March 13th, and found the master and officers well skilled. This lodge has suffered severely through the war, several of their members and officers have paid the supreme sacrifice. During my visit degree work was exemplified in a satisfactory manner after which a discussion of the various phases of the ceremony took place.

This lodge has a lot of good material coming forward and the prospects seem very bright.

The books are written up to date with the exception of the Historical Register and this the secretary promised me would be attended to.

Britannia Lodge No. 23—Lloydminster

At my request the W. Master called an emergent meeting, to enable me to visit Landmark Lodge the following evening, and the attendance at the meeting was very gratifying, especially at the season of the year when my visit was made, May 7th. The W. Master is ably supported by past Masters and the officers put on the work in an efficient manner. I found the members of Britannia very anxious to have the work perfectly done, and a profitable time was spent in going over any part of the work in which there was a doubt of its correctness. Quite a number have put in applications to become members, and I urged upon the brethren the necessity of choosing only the best material as the future of the Lodge depends on this.

I found the books well and neatly written. Everything but the historical register was up to date, and this part was waiting the return of a brother who always attends to this duty. In going through the books I noticed a receipt from the Grand Lodge Benevolent fund for \$1,000.00, and this speaks louder than words as to the spirit of Masonry among the brethren.

Ionic Lodge No. 31—North Battleford

This is my own Lodge and I made my official visit on March 12th. Up to this date the Lodge had been

presided over by W. Bro. Wilson as the Master elected had not been able to be installed owing to sickness. However, on the evening of my visit, Bro. McPherson, the Master elect, was installed in the chair according to the ancient ceremony, and with the customary honors. The attendance was large and very enthusiastic and as there were no candidates to make, pass or raise the officers demonstrated their ability to put on degree work by exemplifying parts of the different degrees. There has been a steady improvement in Ionic Lodge for several years and now it is the largest and best equipped Lodge in the District.

Especial mention should be made of Brother Munkley, the secretary, who has placed everything in connection with his office in excellent shape and the way the books are being kept is a credit to the Lodge.

The Historical Register has been written up to date.

Ispeming Lodge No. 43—Langham.

I visited this Lodge on April 9th, and found a small but enthusiastic group of brethren. Owing to the foreign element which surrounds the district there is little material with which to build up a lodge, but great credit is due to the members for the way they keep the spirit of Masonry alive.

On the night of my visit the W. Master exemplified the second degree and was ably assisted by W. Bro. Lawrence a past master of the Lodge. The Historical register is written up.

Landmark Lodge No. 44—Lashburn.

I visited this Lodge on May 8th, and found it in a flourishing condition, the average attendance is greater in proportion to the membership than any other Lodge in the district.

The W. Master exemplified the third degree in an impressive manner, and the work left very little room for criticism. This Lodge introduces considerable music into the lodge work, which adds greatly to the solemnity and is certainly a valuable adjunct to the ceremony.

Radisson No. 97.

I made my official visit to Radisson on March 18th. It was a regular meeting and was well attended. The officers were proficient in the degree work and had benefitted greatly by attending the Lodge of instruction held at North Battleford. The books are in the hands of a competent secretary, and in first class shape, with the exception of the Historical Register and W. Bro. Clark promised me to have it written up to date before next meeting.

Tyrian Lodge No. 137—Edam

On March 11th I visited Tyrian Lodge. This is the baby lodge in the district having been constituted by The M.W. The Grand Master on Wednesday, September 25th. The ceremony was held in Ionic Lodge, North Battleford, owing to the train service not permitting the Grand Lodge officers to go out to Edam.

The material in this Lodge is above the average, and they are laying the foundation for great success in the future. At the time of my visit the meeting was held in the upper floor of the public school, but a Masonic Temple Co. is being formed to acquire a site, and this summer they intend to erect a building of their own.

During my visit Bro. McDonald, the W. Master of the Lodge, initiated a candidate into the mysteries of the craft in a very able manner, and the work of the officers was much better than I had expected to find from so new a lodge. The brethren had numerous questions to ask me about the workings of the craft, and I am sure we spent a profitable time together.

In conclusion I wish to express my appreciation of the honor which the district has confirmed upon me, and to thank the officers and brethren of the various Lodges in the district for their valuable assistance, and the many courtesies extended to me during my visits.

Faternally submitted,

W. H. EVANS, D.D.G.M.

EIGHTH MASONIC DISTRICT

To the M.W. the Grand Master, Officers and Members of
the Grand Lodge of Saskatchewan, A.F. & A.M.
Most Worshipful Grand Master and Brethren:—

I have the honor and take great pleasure in submitting herewith, as, District Deputy Grand Master for the Eighth Masonic District, my report upon the condition of Masonry in this District.

The Masonic spirit throughout the District is excellent. During the year I visited officially all the Lodges in the District with the exception of Composite Lodge No. 80 Windthorst, and it was owing to circumstances over which I had no control that these Lodges were not visited. It has been a source of great satisfaction to me to find the Brethren always ready to accept criticism in the proper spirit, and at all times evincing enthusiastic interest in the work.

I impressed upon the Lodges the importance of the Benevolent Fund, explaining the aims and objects of this fund.

By request of the M.W. the Grand Master, I called a District Meeting and Lodge of Instruction at Carlyle on October 21st, but owing to the Spanish Influenza epidemic having broken out all over the District, meeting had to be called off, and most of the Lodges in the District were closed for some time, and I was unable to visit any of the Lodges until after the New Year. I wish to express my deep regret that I was unable through sickness to myself and family to start on my official visits earlier.

Carlyle Lodge No. 17.

This being my home Lodge I have attended all meetings. I visited officially on March 14th and May 8th, at both meetings, the First Degree was conferred upon a candidate in a creditable manner by W. Bro. Mills, W.M., but he is very poorly supported by his officers, more especially the appointed officers, but what they require is practice to enable them to handle degree work.

The books of the secretary are fairly well kept. The Historical Register has been written up to date very fully.

Arcola Lodge No. 21.

I visited Arcola Lodge No. 21, Arcola, officially on the evening of May 1st, an emergent meeting having been called for that date. The W.M.W. Bro. Thompson conferred the second degree on a candidate, but the work was very poorly done, the W.M. not having very good support from his officers, and quite a number of corrections had to be made. The arrears of this Lodge are far too high, and I have instructed the W.M. and secretary to have every effort made to reduce them.

The books are all well kept and are all entered up to date with the exception of the History and Formation of the Lodge, this, I understand was written up shortly after the Lodge started, but when their Lodge rooms were destroyed by fire a few years ago, all the books were burnt. The History has not been written up since. However, the W.M. and the Secretary promised to have this attended to at once.

I was accompanied on this visit by W. Bro. Mills, Bro. Holmes, Bro. E. Mills and Bro. Greig, all of Carlyle Lodge No. 17.

Heward Lodge No. 29.

My official visit to Heward Lodge No. 29, Heward, was paid on the evening of April 15th. This being a regular meeting, I had an opportunity to hear the minutes, and witness the transaction of the regular business of the Lodge.

Bro. Levanway makes an ideal Secretary and the Brethren acted wisely when they elected him again to that office, his books are neatly kept, the finances in good shape, and the Historical Register up to date. There being no degree work the meeting was thrown open for instruction and discussion.

The officers all seem to take an interest in their work. This is the home Lodge of P.D.D.G.M. J. M. Adams who is of great assistance to this Lodge.

New Hope Lodge No. 30.

I visited New Hope Lodge No. 30, Stoughton, officially on May 2nd, while their attendance was small, their being only seven members present, but I understand this Lodge has only about ten members who can attend Lodge, the remainder being out of the District.

The members of this Lodge deserve especial credit for the manner in which they are holding this Lodge together, and too much praise cannot be given R.W. Bro. Drew, P.D.D.G.M., who is secretary of this Lodge; his books are kept in a faultless manner. This Lodge has two candidates waiting to be passed to the second degree, but the Lodge having great difficulty in holding meetings, I have written Heward Lodge asking them to attend New Hope Lodge's regular meetings for some time in order that they may retain their standing as a Lodge, until they get candidates finished up. They have two Brothers on the road back from overseas which will also help to swell their ranks.

Bruce Lodge No. 36—Francis.

An emergent meeting of Bruce Lodge No. 36, Francis, was held on the evening of March 25th, when I paid my official visit, accompanied by W Bro. Mills, W.M., Carlyle Lodge No. 17. The second degree was conferred upon three very attentive candidates, the W.M.W. Bro. Urie, conferring the degree on the first candidate, R.W. Robinson on the second and W. Bro. McGillvray on the third. It affords me great pleasure to say that I have never witnessed the F.C. Degree put on more impressively. This Lodge has eight Past Masters, and at this meeting seven were present, and mostly all taking part in the work.

R.W. Bro. W. G. Robinson, the Secretary, is a tower of strength to this Lodge, and has the books of the Lodge in excellent shape.

Maryfield Lodge No. 94.

I paid my official visit to this Lodge on March 11th. I was accompanied on this visit by Bro. Long. As there was no degree work to put on we spent a very profitable time in the instruction of the several degrees.

The books of this Lodge are well kept by the secretary, Bro. Toone, who has acted in that capacity for some time, and thoroughly understands his duties.

Connaught Lodge No. 80, Windthorst and Composite Lodge No. 103, Kennedy.

I called an emergency meeting of Composite Lodge No. 103, Kennedy, to be held in the afternoon of May 6th, at 2.30 p.m., and also an emergent meeting of Con-

naught Lodge No. 80, Windthorst, in the evening of May 6th. Owing to the train service on this branch being very inconvenient it being only Tri-Weekly, I intended motoring over to Kennedy and Windthorst. Bro. Holmes of Carlyle Lodge No. 17, and myself started away from Carlyle, and when we were half way through the Moose Mountains, broke an axle, and we had to phone Arcola for repairs, and did not arrive in Kennedy until after midnight. In the morning I went and found W. Bro. McBurney, who is Secretary of Composite Lodge, and I examined all books and records, and found same well cared for with the exception of the Historical Register, nothing has been entered since 1916, but W. Bro. McBurney informed me he would have same written up at an early date. I met quite a number of the brethren, and explained to them the reason I was not able to attend their meeting. I also wrote Connaught Lodge explaining to them why I was unable to be at their meeting. I wrote R.W. Bro. McPherson, P.D.D.G.M., asking him to pay an official visit for me, to Connaught Lodge. Bro. McPherson reports that the W.M. is making every effort to become proficient in the work and to uphold the principles of Masonry and that the books are all carefully written up.

Finally, I wish to express my thanks to the Brethren of the Eighth Masonic District for having conferred this honor on me, and for the kindly reception extended to me throughout the District, and trust that those visits have not been altogether fruitless. I shall ever retain pleasant memories of the visits paid during my term of office.

Fraternally submitted,

J. C. DICK,

D.D.G.M. District No. 8.

NINTH MASONIC DISTRICT.

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A.F. and A.M.

M.W. Grand Master and Brethren:—

In submitting my report as D.D.G.M. of the Ninth Masonic District I wish, in the first place, to express my appreciation of the honor conferred on me by the M.W.

the Grand Master in appointing me as D.D.G.M. for District No. 9.

My only regret is that on account of exacting Professional duties I was unable to visit all the Lodges in the District. In accordance with arrangements made, however, when taking over the office, I have been able to get R.W. Bro. Clarke to visit Strassbourg, Cupar and Rocanville Lodges; R.W. Bro. Williams to visit Grayson, Nanatah, and Abernethy Lodges, and the R.W. the Grand Secretary to visit Qu-Appelle Valley Lodge.

Qu'Appelle Valley Lodge No. 4, Fort Qu'Appelle.

The R.W. the Grand Secretary visited this Lodge at the regular meeting on May 20th, and reports that he "found the Lodge in excellent shape and the best of harmony prevailing. The first degree was conferred in a very impressive manner by the W. Master W. Bro. D. Sutherland, ably assisted by the Wardens and other Officers of the Lodge. The Secretary's duties are being well looked after by W. Bro. Wilson. I was not able to inspect the Historical Register as R.W. Bro. Proctor is engaged at the present time in bringing this important book up to date, but as R.W. Bro. Proctor has special qualifications along these lines I am satisfied the Historical Register of this old Historic Lodge will be put in good shape. All the other books of the Lodge are well kept. I was particularly pleased with the Minute Book. This Lodge has adopted a loose leaf Minute Book with very satisfactory results. The average attendance of members during the past year was good. The arrears are practically nil and the prospects for the coming year are bright. For the past two years the Lodge has been in the habit of closing down in July and August, but I advised them against this as, with so many of the members living at a distance owning motor cars now, the meetings through the summer months should be the best attended, and if made interesting many of the members who cannot attend owing to distance in the winter months, would be kept in touch with the spirit of Masory and the Lodge would be thereby strengthened."

Strassbourg Lodge No. 46, Strassbourg.

R.W. Bro. J. O. Clarke visited this Lodge and reports as follows: "I visited Strassbourg Lodge No. 46

as acting D.D.G.M. on February 10th, 1919. W. Bro. Snowball, assisted by his Officers, conferred the first degree in a manner in keeping with the good reputation of this Lodge. The books of the Secretary, W. Bro. Borland, are in a satisfactory shape, and this is characteristic of the general management of this Lodge.

It was my privilege and pleasure at the conclusion of the Lodge work to install, acting on the instructions of the Grand Secretary, R.W. Bro. A. W. Hotham as D.D.G.M. of the Ninth Masonic District."

Cupar Lodge No. 47, Cupar.

R.W. Bro. Clarke visited this Lodge on my behalf on Tuesday evening, May 13th, 1919, and reports that "W. Bro. Rose, as Master of this Lodge, has a splendid grip on the Lodge work. He is ably assisted in his duties especially by Past Master W. Bro. A. Hastings. The books of the Secretary, Bro. Fallis, deserve special mention. All records are kept neatly, accurately and up to date. The first degree was conferred in an almost faultless manner. This Lodge with its splendid quarters and furnishings should attract a large attendance and develop a proper Masonic spirit in the community."

Grayson Lodge No. 48, Grayson.

I arranged with R.W. Bro. N. B. Williams to be responsible for visiting this Lodge. Bro. Williams reports that "Owing to the loss of time last Fall and Winter by reason of the Influenza epidemic I found it impossible to visit Grayson Lodge No. 48, but hope to be able to do so at some time during the summer. I regret my inability to carry out the request of R.W. Bro. Hotham, D.D.G.M., regarding this Lodge."

Nanatah Lodge No. 53, Balcarres.

The following is R.W. Bro. Williams' report of his official visit to Nanatah Lodge No. 53, Balcarres, made at my request: "An Emergent meeting was held on Tuesday evening, May 20th, 1919, and I made this the occasion of my official visit. Besides a goodly number of the members, W. Bro. A. D. Mills, W. Bro. S. H. Garratt and a number of other Brethren from Abernethy Lodge No. 77, were present. It was quite late when the Lodge convened, owing, no doubt, to the fact that fast

time had been adopted in town, while the rural district continued to run on slow time.

The candidate who was to have taken his first degree at this meeting was unable to be present, so I had the opportunity of seeing only an exemplification of part of the work in the three degrees. W. Bro. R. K. Mills, W. Master, has his work well in hand, has the good of the Lodge at heart and is anxious to make it progressive. His Wardens are also well skilled, but the work of the Deacons, with the exception of that in the First Degree, was not what it should have been. I tried to impress upon them that it was impossible for a W.M. to do justice to himself or his candidates unless each assistant Officer in his own sphere felt responsible for the successful working of the degrees.

The Secretary, Bro. A. Alcorn, appears to realize the necessity of doing his work well and the condition of the books are an evidence of his interest in the welfare of the Craft, and his sense of the responsibility of his Office. The Historical Register is complete in every respect, including the history of the progress of the Lodge. All the other books are equally well kept. All arrears of dues with the exception of one or two of the Brethren have been collected.

The Lodge Room is a good one, being comfortable, nicely furnished and well appointed.

This Lodge does not appear to have been devoting any time to Masonic study or research. This is unfortunate, because experience has proven that by so doing the regular attendance would be increased and greater interest created.

Judging by its activity at the present time the Officers have an excellent opportunity of making Nanatah No. 53 one of the best Lodges in District No. 9."

Rocanville Lodge No. 61, Rocanville

I requested R.W. Bro. J. O. Clarke to visit this Lodge on my behalf at their Regular Meeting on Monday, May 12th, 1919. Bro. Clarke reports that "he was particularly pleased with the spirit which seems to pervade its membership. The 1919 Officers conferred the first degree in a very creditable manner, considering that it was their first effort. The work of the new Sec-

retary is well done. He is not responsible for certain portions of the Historical Register not being strictly up-to-date. The W.M. gave me his assurance, however, that this would be attended to without delay. I have every confidence in the continued success of this Lodge.

Govan Lodge No. 68, Govan

I made my official visit to this Lodge at their regular meeting on May 8th. The Lodge is to be congratulated on having a very efficient secretary. I found the books in perfect order and the Historical Register up to date. The first degree was conferred on a candidate by W. Bro. Dinwoodie in a very creditable manner. The only criticism I feel like offering is that the I.G. and J. D. did not know their work sufficiently well, and I know that this is not their fault. The Master, Wardens and Past Masters should make sure that the Junior Officers are posted in the work.

Abernethy Lodge No. 77, Abernethy

The following is R.W. Bro. N. B. Williams' report of his official visit to Abernethy Loge No. 77, made at my request: "As this is the Lodge of which I am a member, I am in regular attendance at its communications. An emergent meeting was held on Friday, May 28th, 1919, and I made this the occasion of my official visit. Three first degrees were conferred in a very commendable manner, any irregularities being of a very minor nature."

On the night of the Installation of Officers W. Bro. Mills, W.M., announced to the Brethren present that it was his intention, as far as possible, to confer all degrees at emergent meetings and utilize the time at the regular meetings for Masonic Study and research. This plan has been carried out and as a result the Brethren of this Lodge are truly "making a daily advancement in Masonic Knowledge".

This Lodge, for some considerable time, has been quite active and its prospects are bright. The book of the Lodge, including the Historical Register, are up to date in every respect.

A. W. HOTHAM, D.D.G.M.

Tenth Masonic District

To the M.W., the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A.F. and A.M.
Most Worshipful Grand Master and Brethren:—

I have the honor to submit herewith my report on the condition of Masonry in District No. 10.

During my term of office I have officially visited every Lodge in this district, and it gives me much pleasure to be able to state that Masonry in the district is in a flourishing condition, that the Brethren in all cases are deeply interested and enthusiastic, and indications all point to unlimited success and growth. I also observed that it was most evident that all the Lodges are particular as to the candidates accepted by them being above reproach, for which I was pleased.

The secretaries throughout the District are most efficient and no trouble whatever was experienced by me in that regard. I found the books in every Lodge well kept, in most cases the Historical Register was up to date.

The work in this district is done well and uniformity prevails, so well in fact was the work done, it was a pleasure to me to witness even the most minute details.

On all my visits I was well received, and I extend thanks to the individual lodges for the good reception and hospitality shown me. I visited all the lodges early in the year, believing as I do, that if any of the officers in the various lodges need any assistance or instruction, they should get it as soon after their installation as possible.

I was very fortunate in having V. W. Bro. R. B. Taylor accompany me on all my official visits, excepting one, and he was of great assistance to me. His addresses were excellent and instructive and his music was appreciated by all who heard him.

District Meeting and Lodge of Instruction

Having received instructions from the M. W., the Grand Master, I called a District meeting at Nokomis on the 23rd day of September for the purpose of constituting Philathea Lodge No. 133 and holding a Lodge of Instruction. Grand Lodge was opened by the M.

W., the Grand Master; W. Bro. W. J. Lay of Melville Lodge No. 62 acting Grand Senior Warden and W. Bro. G. M. McGuire of Tuscan Lodge No. 81 acting Grand Junior Warden; V. W. Bro. W. B. Cummings Grand Chaplain and M. W. Bro. W. B. Tate, Grand Secretary. The Lodge being constituted, the officers were then duly installed. The newly installed officers then conferred the second degree on a candidate, after which the third degree was conferred by the officers of Tuscan Lodge No. 81, and immediately following this, the first degree was conferred by the officers of Lanigan Lodge. At the conclusion of each degree M. W. Bro. Tate gave us very necessary instruction which was appreciated by all members present. Before Lodge closed, the M. W. Grand Master and the V. W., the Grand Chaplain gave us most instructive and impressive addresses.

The following lodges were represented at this meeting:—

Tuscan Lodge No. 81, Seemans.
Melville Lodge No. 62.
Edmonton Lodge No. 7.
Winnipeg Lodge No. 66.
St. Ternan Lodge No. 443, Scotland.
Simpson Lodge No. 121.
Mizpah Lodge No. 39, Sheldor, N. B.
Morris Lodge No. 93.
Lisgar Lodge No. 2, Selkirk, Man.
Govan Lodge No. 86.
Riholboam Lodge No. 65, Toronto.
Union Lodge No. 98.

In all, there were seventy-eight brethren present.

Yorkton Lodge No. 12

I visited this lodge on March 14th. The Lodge was opened and closed in good form. I saw the second degree put on in an excellent and impressive manner. The general business was done in a smart and up to date way. Yorkton Lodge, I have no doubt, is proud of having such a fine young man for their W. Master as Bro. R. C. Bull. The members are very enthusiastic, and some of them drive as far as eighteen or twenty miles to Lodge.

Aurora Lodge No. 45—Sheho

I visited this Lodge on February 20th. There being no degree work, we held a lodge of instruction. I found that owing to there being so many foreigners in the town and surrounding district this lodge is very weak in membership. Some discussion arose as to the advisability of surrendering the Charter and closing the Lodge.

Touchwood Lodge No. 57—Punnichy

I visited this lodge on February 14th, and found same in splendid condition. The Worshipful Master not being able to confer the third degree, R. W. Bro. Murrison did so, in his usual competent manner. The books are well kept by the Secretary. I have no fear of this lodge under the fatherly care of R. W. Bro. Murrison.

Melville Lodge No. 62—Melville

I visited this lodge officially on February 10th. I saw the second degree conferred by the newly elected officers. The work was splendidly done. The officers and members of the Lodge are very enthusiastic Masons, and the very best of harmony prevails. The books are well kept by the Secretary.

Wynyard Lodge No. 66

I visited this lodge on February 18th. I saw the third degree conferred, and I must confess that I never saw the work of the third degree so well done. Great credit is due the Worshipful Master for the very impressive way he put on the work.

Foam Lake Lodge No. 79

I visited this lodge on February 19th. There was no degree work so we held a lodge of instruction which I believe the brethren appreciated.

Tuscan Lodge No. 81—Seemans

I visited this lodge on February 11th. The third degree was conferred in a splendid manner by the officers of this Lodge, who with the members are a splendid lot of Masons and among whom the best of harmony prevails.

Lanigan Lodge No. 84

I visited this lodge on February 17th. I saw the first and third degrees conferred. The work was made so impressive by the W. Master and his officers that we who were listening could not fail to imagine that we were each one a candidate. The Secretary keeps his books well, though I recommended that he should have a Secretary's cash book, as taking a receipt for moneys paid to the Treasurer was not sufficient.

Union Lodge No. 98—Kelliher

I visited this lodge officially on February 12th. I saw the second degree conferred in a very able manner. The officers and members have Masonry at heart, hence their good work. This lodge ranks as one of the best in the District.

Philathea Lodge No. 133—Nokomis

I visited this lodge officially on February 13th and I never saw the work done better by the officers of a lodge. The second degree was conferred and no criticism required as the work was done perfectly.

ELEVENTH MASONIC DISTRICT

To the M. W. the Grand Master, Officers and Members,
of the Grand Lodge of Saskatchewan A.F. and A.M.
Most Worshipful Grand Master and Brethren:—

I have the honor as District Deputy Grand Master of District No. 11 to submit the following report on the condition of Masonry in this District.

I have visited all the Lodges once during my term and some of them twice.

Generally speaking the progress made in District No. 11 has been satisfactory. There are three lodges in this District under dispensation viz., Progressive Lodge, at Tompkins, Leader Lodge at Leader, and Sceptre Lodge at Sceptre. I recommend that they all be grant-

ed charters. The attendance as a whole has been fair, and the work uniform and good.

Maple Leaf Lodge No. 9—Maple Creek

I paid my official visit to Maple Creek on April 11th, and witnessed a portion of the Third Degree. All the officers seem to be proficient in their work and enthusiastic.

This Lodge is to be congratulated on their Lodge Room. I find that the present secretary has his books in good shape, but the previous ones seem to have been very lax. The Historical Record is not written up at all, neither is the Lodge membership roll. In fact only one name appears on the latter. There is a general good feeling among the members, and their prospects are good.

Swift Current Lodge No. 26

This being my own lodge I have attended nearly all the meetings that have been held. The officers are well up in their work and the lodge is to be congratulated on their W. Master. Their prospects are good and there is always a lot of new material coming in. It is a pity that this lodge does not own its own Temple, but this will probably be remedied in the near future.

The Lodge is particularly fortunate in having a Past Master like V. Wor. Bro. W. A. McPhail, who is always willing to devote his time and experience for the benefit of the craft.

Cypress Lodge No. 70—Gull Lake

I visited this lodge accompanied by W. Bro. G. D. Arnott and W. Bro. F. E. West on March 28th when the First and Second Degrees were given by the Worshipful Master of Cypress Lodge.

The work was well done by all the officers. The average attendance is fairly good, but probably would be better if the Lodge was opened promptly at the hour stated. The books are in good shape and harmony prevails among the members.

Morse Lodge No. 93

I paid my official visit to Morse Lodge on Friday, May 9th and witnessed the Second Degree exemplified

by the officers of this lodge. The work was well done and the officers take a great interest in the same.

The books are well kept and up to date. The members of this Lodge are to be congratulated on their Temple, it being one of the best in the district. The prospects of the Lodge are good.

Cabri Lodge No. 119

On May 5th I paid my official visit to Cabri and witnessed the second degree put on by the officers of this lodge.

The work done was very good and all the officers seem to be efficient. The books are well kept and the attendance is good, though several of the town members were absent. Cabri Lodge is to be congratulated on the progress they have made.

Lancer Lodge No. 123

I paid my official visit to this Lodge on April 29th accompanied by R. W. Bro. McDonald and W. Bro. Livingstone and witnessed the first degree put on by W. Bro. S. Solley. The work done was very indifferent, which is partly caused by the fact that they have had an epidemic of influenza and consequently little practice.

If the officers of this Lodge would make it a point to visit some of the other Lodges in their vicinity and attend the district meetings I think it would be beneficial to their work in general. The books are well kept and they have good material to work on and a good district.

Mount Hermon Lodge No. 124—Pennant

I visited this lodge twice officially last year and on each occasion the work was put on exceedingly well by the officers of the lodge. They have a splendid lodge room with every facility that is necessary for the comfort and convenience of the members. The officers are enthusiastic and capable, and there is a bright future ahead of Mount Hermon.

Progressive Lodge U. D.—Tompkins

I visited this Lodge last fall and saw a great deal of work put on by the officers of the lodge. Their work

was good in every respect. They have a good Lodge Room and the attendance also is good.

The books are well kept and all the members seem to be enthusiastic. I recommend that a charter be granted them this year.

Sceptre Lodge U.D.

I paid my official visit to this Lodge on April 2nd and witnessed a First and Third Degree put on by the Officers of the Lodge. They have a good Lodge Room and their attendance is fair. The Officers as a whole are up in their work.

There has been a great deal of dissatisfaction and discord among the members, and I felt that in view of this I was not justified in recommending that they receive their charter, but they have since apparently got together and intend to work in harmony for the future, and under these circumstances I can see no reason why they should not be granted their charter this year. They have a good Lodge and their prospects should be bright.

Leader Lodge U.D.

I was only able to visit this Lodge once officially this year, but judging from the work I then saw and the material they are taking in, I have no hesitation in recommending that they be granted a charter at this annual communication of Grand Lodge. Leader is to be congratulaed on having a Past Master like R.W. Bro. Macdonald to start them in the right direction. Their Lodge Room is not very suitable, but this is to be remedied in the near future.

Finally I wish to thank the Brethren of District No. 11 for the honor conferred upon me in electing me to the office of District Deputy Grand Master, and for the many courtesies extended to me on my various visits.

Fraternally submitted,

TWELFTH MASONIC DISTRICT.

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A.F. and A.M.
Most Worshipful Grand Master and Brethren:—

I have the honor to submit my report on the condition of Masonry, as I have found it in District No. 12.

It has been my privilege to visit every Lodge in the district once, three Lodges on two occasions, and it has been a real pleasure for me to find the spirit of friendship and brotherly love which prevails among the Brethren in every Lodge which I visited.

I have much pleasure in saying that the condition of Masonry throughout the district is in good shape. At all the meetings I attended I found the work of the Wor. Masters and Officers was of a high order, and I had very few criticisms to offer, and with the exception of one or two Lodges the attendance was very fair.

District Meeting and Lodge of Instruction.

By request of the M.W. the Grand Master, I called a District meeting and Lodge of Instruction, to be held at Elrose on Sept. 16th. On the afternoon of that date, the M.W. the Grand Master, assisted by M.W. Bro. Tate, Grand Secretary, constituted the three Lodges in this District working U.D., viz., Dinston, Elrose and Eston. In the evening the M.W. the Grand Master held a Lodge of instruction, when M.W. Bro. Tate had charge, making corrections and giving instruction. Rosetown Lodge No. 91 conferred a first degree, after which certain parts of the second and third were exemplified, many questions being asked by the Brethren. A very profitable time was spent and much information obtained regarding the work. After the degree work was finished we had able addresses on Masonry by the M.W. the Grand Master, and also by M.W. Bro. Tate, Grand Secretary.

Instituting—Hawarden.

By request of the M.W. the Grand Master I inspected this point, and finding everything satisfactory, reported accordingly. In due time the M.W. the Grand Master issued a dispensation to form a new Lodge at this point, and acting on his commands, I instituted this Lodge on September 23rd, 1918. As will be seen by my report on this Lodge they are making good progress, and should be one of the strongest Lodges in the District.

Outlook Lodge No. 65

This is my home Lodge and while I have attended practically all of its meetings, I made my official visit at an emergent meeting held on the evening of April 29th, at which time a third degree was conferred on a candidate by W. Bro. Henrickson. While this was the first degree that the M.W. of this Lodge had ever conferred in full, I am pleased to state that his work was of a very high order. It is a pleasure to note the excellent support given the W.M. by the Junior Officers of the Lodge, and the work throughout was good. While there is as yet some room for improvement in the regular attendance of the membership of this Lodge, it is gratifying to note that the attendance at this meeting was good.

The books are in the hands of W. Bro. Johnstone, a Past Master of the Lodge, and are in first class shape, the Historical Register being written up to date.

Victoria Lodge No. 82, Alameda.

I paid my official visit to this Lodge on the evening of the 8th of April, at which time a third degree was conferred by the W. Master W. Bro. Greiggs, assisted by W. Bro. Spicer, a Past Master of this Lodge. The officers of the Lodge are well skilled in the work, and are punctual in attendance. The Worshipful Master lives five miles from town, but never misses a meeting, and this in itself is evidence of the interest shown in the work. Here also the work of the Junior Officers of the Lodge was of a very high order. After the degree was conferred a profitable time was spent in discussing certain parts of the work in the three degrees, several of the Brethren having questions they wished answered, which goes to show the interest they take in the work.

The books are well kept, except the Historical Register, but they are to see that this is attended to at once.

Zealandia Lodge No. 85.

My official visit to this Lodge was made at an emergent meeting held on the evening of April 11th, when a first degree was conferred by W. Bro. Douglas, the Worshipful Master of the Lodge. I was indeed pleased to see the able manner in which this degree was put on, the work of the W. Master and Officers being perfect, and from the attendance that evening, and the enthus-

iasm shown by both Officers and Members, I predict a bright future for the Lodge. They own their Lodge Room, and have it very comfortably furnished.

The books are well kept, being in the hands of W. Bro. Burton, a Past Master of the Lodge.

Kindersley Lodge No. 86.

I visited this Lodge officially at their regular meeting held on the evening of April 10th, at which meeting a first and second degree was conferred by W. Bro. McLean, the Worshipful Master of the Lodge, assisted by R.W. Bro. Stewart, P.D.D.G.M., and W. Bro. Dyer.

The work was done in a very satisfactory manner. The Brethren of this Lodge are enthusiastic for the success of Masonry in their District, and the attendance is very good.

The books of the Lodge are in good hands, Bro. Elliott being a very efficient Secretary, and the proper Masonic spirit prevails among the Brethren.

Much of the success of this Lodge may well be attributed to R.W. Bro. Stewart, P.D.D.G.M., in his unceasing labors for the good of the craft.

Rosetown Lodge No. 91.

My official visit to this Lodge was made on the evening of April 30th, at an emergent meeting, when a second degree was conferred by the Wor. Master of the Lodge, W. Bro. Burton, in a very efficient manner, but owing to seeding being general at this time, the attendance of the regular officers was not large. The work as put on by the Wor. Master was of a very high order, and the Junior Warden delivered the lecture in a very able manner. The affairs of the Lodge are in a very prosperous condition. Bro. Macey is an efficient Secretary, and the books are in good shape.

Broderick Lodge No. 113.

Broderick Lodge being only six miles from my home Lodge, I visited them quite frequently during the summer, but made my official visit on the evening of the 9th of April, when I saw one second and two third degrees conferred. The Wor. Master was assisted by W. Bro. McPherson, a Past Master of the Lodge, and by Bro. Henrickson, the Wor. Master of Outlook Lodge,

and he did the work in a very creditable manner. The Officers also are very efficient in the work of the several degrees. I am pleased to report that this is one of the best Lodges in District No. 12. No doubt it will be learn of the progress this Lodge is making, as he was instrumental in forming it a few years ago. Much credit gratifying to M.W. Bro. Tate, the Grand Secretary, to is due the Past Masters of the Lodge for this success, particularly R.W. Bro. Harper, P.D.D.G.M., who is Secretary of the Lodge, and who is untiring in his efforts for the welfare of Masonry in general, and Broderick Lodge in particular. Needless to say, the books are well kept in every detail.

Dinston Lodge No. 131.

I made my visit to this Lodge at an emergent meeting held on the evening of April 15th, when a third degree was conferred by W. Bro. Mogan, the W.M. of the Lodge, assisted by W. Bros. Little and Cameron.

The work was very good throughout, and the support given the W.M. by the Junior Officers merits especial commendation.

W. Bro. Little is the Secretary of the Lodge, which is sufficient evidence that the books are in splendid shape.

This is one of the new Lodges of the District, and I was pleased to note the interest shown by the Members in asking questions in regard to parts of the work upon which they were in doubt. I predict a splendid future for this Lodge.

Eston Lodge No. 134.

I attended this Lodge at a regular meeting, held on April 16th, when a third degree was conferred on a candidate by W. Bro. Barkwell, the W.M. of the Lodge, which was witnessed by a large attendance of Members.

The work of the Wor. Master and Officers was excellent, and it is gratifying to note that this, one of the new Lodges of the District, is starting out with such bright prospects.

The books are in the hands of a very capable Secretary, Bro. Semple, who has started right, and who has the books in good order, the Historical Register being written up to date.

From what I have seen of the Brethren of this Lodge, and noting the spirit prevailing among them, I am sure they have a bright future ahead of them.

Elrose Lodge No. 135.

I made my visit to this Lodge on the evening of April 14th, at a regular meeting, when I had the pleasure of seeing the W.M. Wor. Bro. Lindsay confer a first degree. On account of the extremely bad state of the roads at this time, the attendance was not large, most of the Members living in the country, therefore the Brethren filling the Junior stations were not the regular officers; however, the Wor. Master and the Senior Warden was very good.

This Lodge is unfortunate, on account of their Junior Warden and Secretary having moved away. The Senior Warden is acting Secretary at the present time, however, and the books are well written up and in good order.

The Brethren own the building, having the Lodge Room upstairs, and rent the ground floor as a public hall, and are very comfortably quartered and are sure to go ahead.

Hawarden Lodge U.D.

By direction of the M.W. the Grand Master, I instituted this Lodge on the evening of Sept. 23rd, assisted by R.W. Bro. Harper and W. Bro. McPherson, of Broderick Lodge. Several of the Outlook Brethren were in attendance. The Lodge has procured very fine quarters, and started out under auspicious circumstances, but have been visited by many trials in their efforts. At this meeting I placed Wor. Bro. McArthur in the East, but a short time afterwards, on account of ill health, he was compelled to leave the District. I then, by direction of the M.W. the Grand Master, again visited the Lodge, and placed W. Bro. Battersby in the chair, the ceremony taking place in the afternoon. At the meeting of the Lodge that same night, Bro. Erskine, who was Treasurer, dropped dead in the Lodge Room. The Influenza epidemic also claimed two of the Members as victims, in the persons of the Tyler Bro. Chas. Life and Bro. Ledingham. Thus it is quite evident that the Lodge had its misfortunes in starting out.

I again visited the Lodge on the evening of April 23rd, when three first degrees were conferred by the Wor. Master Bro. Battersby, assisted by R.W. Bro. Harper, and W. Bro. McPherson, of Broderick Lodge No. 13, and I am pleased to state that the work as done by the W. Master and Officers of the Lodge was very good, and I have no hesitation in recommending that this Lodge be granted a charter. They are very careful in material accepted, and being situated in a prosperous community, I feel sure they have a bright future in store.

In conclusion, I wish to thank the Brethren of District No. 12 for the great honor they conferred on me in electing me as their D.D.G.M., and also for the very kind manner in which they received me when visiting their several Lodges.

Fraternally submitted,

GEORGE McKAY,
D.D.G.M. District No. 12.

THIRTEENTH MASONIC DISTRICT

To the M.W. the Grand Master, Officers and Members of
the Grand Lodge of Saskatchewan, A.F. & A.M.
Most Worshipful Grand Master and Brethren:—

I beg to submit my report as District Deputy Grand Master of the Thirteenth Masonic District.

It has been a pleasure to me as well as a great benefit to visit the Lodges of District No. 13, and find Masonry in such good shape. It was my ambition when I took office to get around the Lodges at least twice during my term, but on account of the "Flu" I did not fulfill my ambitions. I wish to thank the Lodges of District No. 13 for electing me to this office, and I wish them every success in the future.

District Meeting and Joint Installation

I was instructed by the Grand Secretary to call a Lodge of Instruction for September 23rd, at which meeting Kerrobert Lodge No. 90, conferred the first Degree in a very able manner and Biggar Lodge No. 100, conferred the third degree also in a very able manner. Our meeting was very well represented with Grand Lodge

Officers, the M.W. the Grand Master, M.W. Bro. Tate, Grand Secretary, and V.W. Bro. Irvine, G. Dir. of C. being present.

I also had a joint installation meeting at Kerrobert on the 27th of December. At this meeting I installed the Officers of Gothic Lodge No. 105, Paragon Lodge No. 118, and Kerrobert Lodge No. 90. I was assisted by W. Bro. J. M. Hanbidge and W. Bro. Creby. I may say that I think the joint meetings are of great benefit to the brethren.

Prairie Lodge No. 57.

I made my official visit to this Lodge on March the 10th. On this occasion I had the pleasure of having R.W. Bro. Butler, Representative of the Grand Lodge of Saskatchewan, near the Grand Lodge of Illinois, with me, which was a help as well as a pleasure. The I.P.M. W. Bro. Attwell conferred the second degree most efficiently, and the W. Master put on the third degree also in a most efficient manner. I am sure that with the ability of the W.M. and I.P.M. the Lodge is sure to prosper. I found the books well written up and in good shape.

Unity Lodge No. 73.

I made my official visit to this Lodge at their Regular meeting on February 12th. The W. Master conferred the third degree in a very creditable manner. The books are in good shape and up to date. This Lodge has the best meeting place in the District, a Lodge Room built by the Odd Fellows, and a credit to that Institution.

Kilwinning Lodge No. 74.

I visited this Lodge at their Regular Meeting on Thursday, February 13th. There were two Initiations. The W. Master conferred one degree and the I.P.M. the other, they were both very well done. Their members show great interest in the Lodge as they all live out of town, and their meeting was one of the best attended in the District. Their books are in good shape.

Harmony Lodge No. 75.

I visited this Lodge at their Regular Meeting on Thursday, March 13th. There was a good turn out of

the members. The W. Master conferred the first degree in a very able manner, and W. Bro. Houston conferred the second degree also very ably. The members were very anxious to have any errors in the work corrected. The books are in good shape with the exception of the Historical Register, which is not written up. I tried my best to get it written up before I made my report, but did not succeed. However, the Secretary assures me he is busy getting it in shape.

Meridan Lodge No. 83.

I visited this Lodge at a Regular Meeting on Tuesday, February the 11th. The Worshipful Master conferred the third degree in a very creditable manner. There was a good turn out of the members, and I think there is a bright future ahead of the Lodge. Their books are written up to date.

Kerrobert Lodge No. 90.

This being my home Lodge I have attended nearly every meeting with the exception of when I was away on my official duties. I made my official visit to the Lodge at an Emergent Meeting called for that purpose. There was a good turn out of the members considering that a number were down with the "Flu." The W. Master conferred the third degree in a most creditable manner. The books are well written up, and up to date. The Secretary of this Lodge is the kind that goes a long way in the making of a Lodge.

Biggar Lodge No. 100.

I made my official visit to this Lodge on March the 11th. The night was very stormy, and on that account there was no degree worked, as the Candidate lived a distance out in the Country, and could not get in, but I was assured by R.W. Bro. S. P. James that the W. Master could confer the degrees. I found the books in good shape, and up to date.

Gothic Lodge No. 105.

I visited this Lodge at an Emergent Meeting on Monday, March 31st, called for that purpose. There was a good turn out of the members, and while there was no actual Candidate for any of the degrees the Lodge exemplified parts of the different degrees in a very able manner. I found the books in good shape.

Landis Lodge No. 115.

I visited this Lodge at an Emergent Meeting on March 12th, called for the purpose. The attendance was very good considering the stormy weather. There was no degree work done but W. Bro. Nunn assured me that the W. Master could put on the different degrees. I had the Brethren exemplify parts of the degrees, and found they were efficient in their work. I also found the books very efficiently kept; the Historical Register being worthy of special mention. V.W. Bro. S. M. Martin prides himself in keeping his books in good shape.

Paragon Lodge No. 118.

I visited this Lodge on Monday night, May the 5th, at an Emergent meeting called for that purpose. There was a good turn out of the members, and while there was no actual Candidate for the degrees the Lodge conferred parts of the different degrees in a very able manner. I also found the books in good shape.

Fraternally submitted,

J. J. COCHRANE,

D.D.G.M District No. 13.

FOURTEENTH MASONIC DISTRICT

To the M.W. the Grand Master, Officers and Members of
the Grand Lodge of Saskatchewan, A.F. & A.M.
Most Worshipful Grand Master and Brethren:—

As District Deputy Grand Master of the Fourteenth
Masonic District I beg to submit the following report:—

District Meetings and Lodges of Instruction

By request of the M.W. the Grand Master a District Meeting was held at Kincaid when Meyronne Lodge No. 128 and Kincaid Lodge No. 138 were constituted. This meeting was presided over by the M.W. the Grand Master, and I am sorry to say was not as well attended as it should have been. Some of the Lodges in the District were not represented. After the Constituting Ceremony, M.W. Bro. Tate, held a Lodge of Instruction which was very profitable and interesting to all present. This was

followed by addresses by the M.W. the Grand Master, M.W. Bro. James McCauley and V.W. Bro. W. B. Cummings. These addresses were all very good, and the Brethren went home feeling that they had been well paid for the trip from whatever points they came.

The second district meeting was held at Mossbank, when Mossbank Lodge No. 129, was constituted. M.W. Bro. Tate presided, and after constituting the Lodge held a Lodge of Instruction. This meeting, which was well attended by the Moose Jaw Brethren, I am pleased to say was a very good and instructive meeting.

St. John's Lodge No. 106, Assiniboia

I visited this Lodge officially on April 3rd. The third degree was conferred by W. Bro. McKinnon, W.M., in a very able manner, although very poorly assisted by the Junior Officers. This being Bro. McKinnon's first attempt at conferring the third degree, I considered it extra good, and congratulate St. John's Lodge on having elected W. Bro. McKinnon to the Master's Chair. The Historical Register was not written up to date, but the Master informed me that a Committee had been appointed for that purpose, and assured me it would be done in the near future.

Limerick Lodge No. 109, Limerick.

I paid my official visit to this Lodge on March 11th, with but a day's notice. V.W. Bro. Jennings, W.M. was in the East. No degrees were conferred. However, I have often been present when V.W. Bro. Jennings, did confer degrees, and always found him very good. The attendance was small owing to the short notice, but the Limerick Brethren are much interested in Masonry. In fact I have never attended a District meeting in this District where Limerick Lodge was not represented, and often in numbers. The books of the Lodge are in excellent shape.

Shaunavon Lodge No. 110, Shaunavon

I visited this Lodge officially at an Emergent meeting held on March 18th, W. Bro. Grant, W.M., was in the East and conferred the third degree fairly well. The books are in good shape except the Historical Register

which was not written up to date. The W.M. assured me it would be attended to. The attendance was small.

Aneroid Lodge No. 111 Aneroid

I visited this Lodge officially on March 13th. The third degree was conferred by W. Bro. Lloyd, fairly well. The work of the S.W. was good. The books of the Lodge are in bad shape, but the Secretary, W. Bro. J. A. Coulter, informed me that he had been trying to get them in shape since taking them over. I paid a second official visit to this Lodge on May 8th, and while the books were improving, they were not yet up to the standard. I feel that the District Meeting should be held at Aneroid next year.

Woodrow Lodge No. 112, Woodrow.

I paid my official visit to this Lodge on November 4th, 1918. The third degree was conferred by W. Bro. G. H. Moore, W.M., in a very able manner. My second visit was on May 4th, 1919, no degrees were worked at this meeting. W. Bro. Carnahan was in the East. The meeting was attended by W. Bro. J. B. Smith and W. Bro. Dennison of St. John's Lodge No. 106, who gave good addresses on Masonry. The books are in good shape, and kept up to date by Bro. W. H. Dodd, Secretary.

Ogema Lodge No. 120, Ogema.

I paid my official visit to this Lodge on February 17th, accompanied by Bro. W. H. Dodd of Woodrow, and Bro. James Lambe of Limerick Lodge. The first degree was conferred by W. Bro. A. Y. Kinnard, the W.M., in very good form, ably assisted by the Junior Officers. The Wardens both deserve mention for their work. The I.P.M. W. Bro. Roy Smith delivered the charge in the first degree in an excellent manner. The books are in good shape, and I am pleased to say that the work throughout is very good which I think in part is due to V.W. Bro. D. B. Robertson.

Azure Lodge No. 122, Eastend.

I visited this Lodge officially on March 19th. W. Bro. Bock, W.M., conferred the first degree on one of the brethren. It being his first attempt he did very well.

The books are well kept by Bro. Anderson, and are in good shape. The future of this Lodge looks very good.

Cadillac Lodge No. 126, Cadillac.

I visited this Lodge officially at their Regular meeting on March 12th. The first degree was conferred by W. Bro. Stanley, W.M., in very good form. On account of the Master elect's absence, the officers had not been installed up to this time, and I installed them at the meeting. The books are in good shape. The members are few in number, but strong in Masonic spirit.

Meyronne Lodge No. 128, Meyronne.

I paid my official visit to this Lodge on April the 15th. The second degree was conferred by W. Bro. Laurie, the W.M., in good form. The books are well kept by Bro. Hunt. The Lodge appears to have passed its critical stage, and is doing well now.

Mossbank Lodge No. 129, Mossbank.

I paid my official visit to this Lodge on May 14th, accompanied by V.W. Bro. A. L. McClatchie, W. Bro. Carnahan and Bro. R. J. Curry. W. Bro. Roberts conferred the third degree for the first time. His work was good. He was ably assisted by his Junior officers; the deacon's work being especially good. The Books are in good shape except the Historical Register which is not written up to date, but the W.M. informed me that owing to the Epidemic of Influenza he was unable to get it attended to. The prospects of the Lodge are very bright. Good fellowship and harmony prevailing among the brethren.

Kincaid Lodge No. 138, Kincaid.

I visited this Lodge officially on July 25th, when it was working U.D., and conferred two third degrees for them. I paid a second official visit on March 6th. The second degree was conferred by W. Bro. Bedford, W.M., fairly well. The books were in good shape. The future of this Lodge looks bright.

Finally I wish to thank the brethren of district No. 14 for the very great honor they conferred upon me when they elected me as their D.D.G.M., and for the many courtesies extended to me during my term of of-

fice, which I hope I have been worthy of in a small way at least.

Fraternally submitted,

GEORGE W. HOOKER,

D.D.G.M. District No. 14.

FIFTEENTH MASONIC DISTRICT

To the M.W. the Grand Master, Officers and Members of
the Grand Lodge of Saskatchewan, A.F. & A.M.

Most Worshipful Grand Master and Brethren:—

It is with great pleasure that I submit my report for the second term as District Deputy Grand Master for District No. Fifteen.

I visited all the Lodges in the District, excepting Togo No. 130, but had the pleasure of meeting several of the brethren from this Lodge at a District Meeting held at Canora on August 26th, when the Right Worshipful the Deputy Grand Master assisted by Most Worshipful Brother Tate Constituted Togo Lodge. At this District Meeting splendid addresses were given by the Right Worshipful the Deputy Grand Master, and Most Worshipful Brother Tate. These addresses were attentively followed, and splendidly received. Most Worshipful Brother Tate's address was largely of the nature of instructions on and explanations of the work.

Prince Rupert Lodge No. 35.

I officially visited this Lodge twice during the term. The degree work is well done, and the books are kept in good shape. The finances are in better condition than they have been for some time, and I trust the officers will see that they are kept so. My best wishes are with this Lodge for its success and welfare.

Buchanan Lodge No. 54.

I officially visited Buchan Lodge on August 2th. The second degree was conferred by the Worshipful Master in a very creditable manner. A few slight errors were made to which I drew attention, and which will be

avoided in the future. Unfortunately the Senior Warden was not present and the lecture had to be given by a past Master who did not know in advance that he would be called upon to do this. If at all possible the Senior Warden should be present to perform the work of his office, as all candidates are entitled to have the degree work done in the best possible manner. Four brethren were present at the District Meeting in Canora, and were well pleased with the instruction received. The finances of this Lodge are in good shape. The books are well kept, excepting that the members present are not entered in the minutes as required by the constitution. This was promised to be corrected.

King Solomon Lodge No. 58.

I made my official visit to King Solomon Lodge on April 9th. For some months this Lodge has had no meeting place making the work hard to do. Under the circumstances the Worshipful Master conferred the Second Degree in a very creditable manner. The books in the experienced hands of Worshipful Brother Blewett are in shape. On the night of my visit the attendance was small probably owing to another meeting being held in the town. I understand the brethren contemplate the erection of a lodge room in the near future. By so doing they will no doubt increase the attendance and better the work as the officers need the best support of the members.

Canora Lodge No. 59

On August the 26th the Right Worshipful the Deputy Grand Master, accompanied by Most Worshipful Brother Tate and M.W. Bro. Thomson held a district meeting at Canora Lodge. At this meeting Togo Lodge No. 13 was constituted by the Deputy Grand Master. The ceremony was very impressive and instructive to all. After the ceremony Most Worshipful Brother Tate gave a very fine address explaining the ceremonies, his instructions were well received. M. W. Bro. Thomson spoke more particularly on the outward appearance that Masons should present, exemplifying by words and actions that we are what we profess to be. I trust that the Brethren will ever put in practice the thoughts given in these addresses and thus bring credit to the craft.

Wadena Lodge No. 87

I made my visit to this Lodge on August 29th and spent a very pleasant evening. The books are in good shape except that several very interesting events have not been recorded in the historical register, this will be looked into and the entries made. The Worshipful Master conferred the First Degree in an excellent manner.

Invermay Lodge No. 102

I visited this Lodge on August 28th and found the books carefully kept by Worshipful Brother Loucks. There being no candidates the floor work was exemplified by request of the members. This Lodge is handicapped on account of the limited territory from which to draw material. This makes the expense to the members very great in maintaining the Lodge and they are to be congratulated for their efforts, which I trust, will lead to more prosperous conditions in the future.

Togo Lodge No. 130

Owing to unavoidable circumstances, I was unable to visit Togo Lodge, but judging from the Brethren whom I met at Canora, where Togo Lodge was constituted, and from the reports I have received of the work of the Lodge, I am sure it will be a successful one and a credit to the district.

I must extend to the Grand Lodge officers and the Brethren of District No. 15, my sincere thanks for their kindnesses and courtesies to me during the two years that it has been my pleasure to be your District Deputy Grand Master.

To all the Lodges of the District, I extend good wishes for future prosperity and I shall not soon forget the pleasure I had in visiting you and trust that my feeble efforts will bear good results.

All of which is respectfully submitted,

W. R. RUSSELL,

D. D. G. M. istrict No. 15.

On motion of R.W. Bro. J. E. McFee (71), seconded by R.W. Bro. F. B. Reilly (2), the reports of the D.D.G. M.'s were received and referred to the Committee on Conditions of Masonry.

RECEPTION OF GRAND REPRESENTATIVES

The Grand Master requested the Grand Representatives of the various Grand Lodges present to rise and addressing them briefly requested them to carry Greetings and best wishes to the respective Grand Lodges they represented.

R.W. Bro. Mr. Justice E. L. Elwood, on behalf of the Grand Representatives present thanked the M.W. the Grand Master for their reception and conveyed Fraternal Greetings from their respective Grand Lodges to the Grand Lodge of Saskatchewan.

GRAND TREASURER'S REPORT

The Grand Treasurer, R.W. Bro. A. Sheppard, submitted the following report:

To the M.W. the Grand Master, Officers and Members of the Grand Lodge of Saskatchewan A.F. & A.M.

Most Worshipful Grand Master and Brethren:

ALEX SHEPPHARD, Grand Treasurer.

Audited and found correct.

C. O. DAVIDSON, Auditor.

On motion of R.W. Bro. A. Shepphard, seconded by M.W. Bro. L. T. MacDonald, the report of the Grand Treasurer as read was received and referred to the Finance Committee.

GRAND SECRETARY'S REPORT.

The Grand Secretary M.W. Bro. W. B. Tate, submitted the following report:

To the M.W. the Grand Lodge of Saskatchewan A. F. & A.M.

M.W. Grand Master and Brethren:—

I submit herewith my Fifth Annual Report as Grand Secretary.

The past year has been a particularly heavy one. Apart from the great amount of work entailed in preparing a revised edition of the Constitution, the Postal Strike which took place shortly after the last Annual Communication of Grand Lodge threw the routine of the Office into confusion and caused a great deal of extra work. Then the Influenza Epidemic which spread over the Province in the Fall, and the consequent embargo on all meetings disorganized our work more completely still, and following the disorganization earlier in the year made the situation peculiarly difficult. Some notion of the extra correspondence entailed by the Influenza Epidemic may be gathered from the fact that over two hundred letters were written in regard to the postponement of the Election and Installation of Lodge Officers alone. But the extra correspondence was in itself a small matter in comparison with the disorganization of our whole work caused by this terrible scourge. The routine of the office was still further unsettled in February by the unfortunate occurrence in connection with the investment of our Benevolent funds referred to in the address of the M.W. the Grand Master.

Semi-Annual Returns.

I am pleased to be able to report a marked improvement in the sending in of the Semi-Annual Returns this year, and desire to acknowledge with deep appreciation the loyalty and efficiency of the Secretaries of the sub-ordinate Lodges and their evident desire to co-operate with this office in this important matter in the interests of Grand Lodge. Eight Lodges in August, and one in February failed to get their returns in within the prescribed time. In the case of the one Lodge delinquent in February the Return was but three days late, and did not materially delay the work of the office. I am very hopeful that next year I will be able to report that there were no delinquent Lodges. The change in the date of sending in the Semi-Annual Returns from June and December to August and February has, I believe, worked to the advantage of both the Lodges and Grand Lodge Office.

Recapitulation of Returns.

There were one hundred and thirty-eight Chartered Lodges on the Register of Grand Lodge when the books closed, and five Lodges under Dispensation. The fol-

lowing is a recapitulation of the Returns from these Lodges to February 28th, 1919:

Total number of Members, 1918	8286

Total Number of Members, February 28th, 1919...	9140
Net Increase	854

District Meetings.

By instruction of the M.W. the Grand Master, I made arrangements for a district meeting and Lodge of Instruction for each district as soon after our last Annual Communication as possible, but unfortunately, owing to the Influenza Epidemic, the meeting in Districts Nos. 4, 6, 8 and 9 had to be cancelled. The meetings held were conducted on the same lines as heretofore, instruction in the Esoteric Work being given by your Grand Secretary, and addresses on topics of educational value by the M.W. the Grand Master, the R.W. the Deputy Grand Master, the V.W. the Grand Chaplain, and other well skilled Brethren. The Grand Master being unable to attend the communications at Canora and Mossbank commissioned me to represent him.

The attendance at the meetings was even better than last year, and much interest was manifested. In several Districts every Lodge was represented, and it was not unusual to meet Brethren who had motored seventy to a hundred miles to be present. Much credit is due the D.D.G.M.'s of the different Districts for their efforts to make the meetings a success.

I was particularly struck with the number of inquiries at these meetings re Study Clubs, methods of Masonic Study, Works on Masonry, etc., and I would

respectfully recommend that this Grand Lodge take steps toward the formation of a Bureau of Masonic Research for the Grand Lodge of Saskatchewan.

The labor of attending these District Communications is arduous, but the compensation received from the friendships formed is so great that there is no method of computing it. The courtesy and uniform kindness which was shown us at every point we visited was deeply appreciated, and if my labors have been of any benefit to the Craft I am well satisfied.

Dedication of Masonic Temple.

A request was received during the year from Morse Lodge No. 93 to have their new Masonic Temple at Morse dedicated. The M.W. the Grand Master being unable to attend personally commissioned me to act on his behalf and, assisted by M.W. Bro. J. McCauley and Bro. Rev. H. Bucklee, I dedicated this fine new edifice on May 29th, 1919, in due and ancient form.

The Temple is an ornament to the town, and a credit to the Craft and the Morse Brethren are justly proud of it. It is a one and a half story building, and is laid out in a way that makes it ideal for Lodge purposes. The Lodge Room is beautifully proportioned, and is nicely furnished and equipped with every convenience.

The Brethren for whose accommodation, and at whose expense this splendid temple has been erected are to be congratulated on their zeal and enterprise in the erection of the building. It is an indication of the position to which Masonry has advanced in Morse and I trust will serve as an incentive to other Lodges in the Jurisdiction.

Few duties have fallen to my lot during the year that afforded more genuine pleasure than the dedication of this Temple, and the meeting with the Brethren of Morse in their new Masonic Home.

Financial Statement for year ending March 31st, 1919.

All fees, dues, etc., owing to Grand Lodge for the year ending March 31st, 1919, have been paid in full, with the exception of a balance of \$2.00 due by Yorkton Lodge No. 12. This balance was attributable to a mistake on the February Returns of that Lodge, which was

not detected until after the closing of the Masonic year, and has since been paid.

Office Assistance.

Every year sees larger demands made upon the office, and if the business of Grand Lodge is to be transacted efficiently in the future, and these demands met a much larger appropriation will require to be made for office assistance. While the Grand Lodge of Saskatchewan is the second largest Grand Lodge in Canada, the office is not anything like as well provided for as in many of the smaller Grand bodies. The fact of the matter is our growth has been so remarkable during the last few years that our plans have not kept pace with

our developments. As an indication of this you have only to compare our standing say eight years ago with our present position. In 1911 we had 68 Lodges on the Register of Grand Lodge, and a Benevolent Fund of \$2,256.00, as compared with 149 Lodges today and a Benevolent Fund of over \$82,000.00, and yet while the work of the office has more than trebled in that time, the appropriation for office assistance was only \$100.00 more last year than in 1911. In order to give anything like service last year I paid out over \$400.00 personally for office assistance, and this year I have had to pay out even more. In these days of the H.C.L. even with the very best interests of Freemasonry at heart one cannot do this without feeling it.

The matter of providing a new Register and Index System that has been foreseen for several years ought also to be faced this year. This will probably cost from \$750.00 to \$1,000.00, and I would ask that an appropriation for this be placed in the estimates. I would also ask the sanction of Grand Lodge to my visiting one or more Grand Offices before undertaking this work in order that we may institute the most perfect system.

Benevolent Fund—Bi-Centenary Contributions.

Pursuant to a resolution adopted at the Annual Communication of Grand Lodge in Saskatoon in 1917, approving of the recommendation of the Grand Master "for the making of a special effort to augment this fund" a plan was formulated by the Chairman of the Board of Benevolence in conjunction with the M.W. the Grand Master to augment the fund by at least \$75,000.00 by an average contribution of \$10.00 per member, and an assessment of the various Lodges was made on a per capita basis, and an appeal issued to the Brethren of the Jurisdiction.

At the Annual Communication of Grand Lodge in Moose Jaw, in 1918, the method of making an assessment was approved of as a fair basis and a resolution was adopted "that we continue to collect the portion of assessments not collected from subordinate Lodges in 1917."

The following is a detailed statement of the amount allocated to each Lodge to raise, and the response by Lodges to the end of the fiscal year, March 31st, 1919.

Conclusion.

Although practically four months were lost as a result of the Influenza Epidemic the year just past has been the most successful in the life of the Grand Lodge of Saskatchewan. The growth in almost all our Lodges has been exceptional, but, nevertheless, I believe healthy. Men today are looking round for methods for exercising their keen sense of brotherhood, and the fact that our Lodges are having such remarkable growth is to my mind an evidence that they are turning to Freemasonry for the realization of that desire.

In closing permit me to express my thanks to the Secretaries of our various Constituent Lodge for the manner in which their duties have been performed. To the different officers of Grand Lodge with whom my duties have brought me into contact, I desire to express appreciation for the kindness and consideration extended to me throughout the year which have served to considerably lighten the burdens of the office.

I have always regarded myself as the servant of the Craft in Saskatchewan, and have endeavored at all times

to respond to all calls upon me for information and service, and only hope that my efforts have been in accord with your expectations.

Fraternally submitted,

W. B. TATE,

Grand Secretary.

REPORT OF THE BOARD OF GENERAL PURPOSES

R.W. Bro. N. B. Williams submitted the report of the Board of General Purposes as follows:

"To the M.W. the Grand Master, Officers and Members of the Grand Lodge of Saskatchewan, A.F. & A.M.:

Four Regular Meetings were held during the year. The first of these was at Moose Jaw immediately after the close of Grand Lodge. At this meeting the Vice-President and various standing Committees were elected.

The second meeting being the Regular Meeting, was held in the Board Room, Masonic Temple, Regina, on Tuesday, February 18th, 1919, at which regular routine business was transacted.

A Special Meeting was held in the Board Room, Regina, on Tuesday, May 27th, 1919, for the purpose of considering an invitation received from the Grand Lodge of England inviting the M.W. the Grand Master, accompanied by the Grand Secretary, to attend a Special Communication of that Grand Body to celebrate the advent of Peace. The Board considered that the benefit to be derived would not be commensurate with the expense and disorganization involved and decided not to accept the invitation.

The fourth meeting was held yesterday morning, the 17th instant, and the reports of the various committees will now be submitted for your consideration.

Fraternally submitted,

N. B. WILLIAMS, President."

On motion of R.W. Bro. N. B. Williams, seconded by M.W. Bro. W. M. Thomson it was resolved that the report be received and adopted.

REPORT OF COMMITTEE ON GRAND MASTER'S ADDRESS AND JURISPRUDENCE.

The Committee on the Grand Master's Address and Jurisprudence presented their report as follows:

To the M.W. the Grand Master, Officers and Brethren of the Grand Lodge of Saskatchewan, A.F. & A.M.:

Your Committee beg to report that they have considered carefully the Grand Master's address and first desire to commend the Grand Master on his address. It is concise in form and touches every phase of the Work of Grand Lodge and the events during the term in a very satisfactory manner. We concur in the Grand Master's reference to the satisfactory conclusion or termination of the Great World War and especially to the achievements and gallantry of our Canadian Boys in this great struggle.

With respect to the re-establishment of Soldiers into civil life the Grand Master's reference to this is very timely.

We concur in the Grand Master's ruling re the Home of a member of the C.E.F. prior to his enlistment and we also concur in his ruling re Section 148 of the Constitution.

We agree with the Grand Master's reference to Special Dispositions issued by him.

RE IMPERFECT MATERIAL, we concur and support the opinion expressed by the Grand Master.

With respect to the edict under date of November 24, 1918, considering the seriousness of the occasion, we feel that the Grand Master was quite justified in issuing this edict.

All of which is respectfully submitted.

G. B. MURPHY, Chairman.

On motion of M.W. Bro. G. B. Murphy, seconded by M.W. Bro. L. T. MacDonald, the report of the Committee on the Grand Master's Address and Jurisprudence was received and adopted.

REPORT OF COMMITTEE ON CONDITIONS OF MASONRY

M.W. Bro. C. O. Davidson submitted the following report on the Conditions of Masonry:—

To the M.W. the Grand Master, Officers and Members of the
Grand Lodge of Saskatchewan A.F. & A.M.:

Your Committee on Condition of Masonry, as required by the Constitution, has made a careful examination of the reports of the District Deputy Grand Masters for the Fifteen Masonic Districts into which the Province is divided, and find that none of them contain any matter which would call for special comment. In only one instance is there the appearance of anything approaching an absence of perfect harmony in the Lodges, being the case of a lodge working under dispensation. Happily the trouble referred to has been adjusted to the satisfaction of the District Deputy Grand Master for the district, who recommends that the lodge in question be granted its charter.

We find that in some of the districts all of the lodges have not been visited. These cases, however, are few, and in view of the exceptional difficulties existing throughout the past year, notably the prevalence of the Spanish influenza epidemic, which in several instances prevented the holding of meetings, called for the purpose of receiving visits from District Deputy Grand Masters, your Committee has decided that it should not take official cognizance of the omissions.

At the same time we cannot refrain from putting on record an urgent appeal to the brethren, that in no case should the important office of District Deputy Grand Master be accepted unless it be with the intention of giving to it the best service possible, and not then if there exists any probability that these good intentions may not be fully implemented.

Your Committee is of the opinion that the practice of rotating this office among the lodges forming a district should be discontinued, and the best men selected, regardless of their lodge affiliation. The office is a most important one, and on the quality of the work of its incumbents depends to a very great extent the prosperity and usefulness of the lodge. A good District Deputy Grand Master has it within him to make of freemasonry a mighty power for bringing out the best in the public and private life of the members of the lodge, while on the other hand, careless selection, made for the purpose of satisfying the aspirations of individuals or lodges, is more than liable to lead to results of quite an opposite character.

While on this subject your Committee would venture the following opinion, arrived at after a very earnest discussion of the difficulties surrounding the question. The opinion of your Committee is that the present method of selecting District Deputy Grand Masters is not the best in the interests of freemasonry in Saskatchewan. The D.D.G.M. is not, properly speaking, an officer of Grand Lodge. He is a District officer, and should be selected at the District meeting, and we make the following suggestions:

- (1) That the Annual District meeting should be given constitutional status;

- (2) That at each district meeting the District Deputy Grand Master be selected and his appointment recommended to the Grand Master.

By this method we are convinced that there will be greater certainty of securing good men for the office, as they will be selected from a larger number and under more satisfactory conditions than by the method now in use.

It must not be thought that these remarks and suggestions are prompted by anything in the work of brethren who have held this office in the past. If this were the case, the previous reports of your Committee would in a great measure be stultified. They are put forth with a genuine desire for the general welfare of freemasonry, and with the hope that the brethren will be moved to give to the selection of men to fill this most important office the careful consideration which it deserves.

The oft repeated complaint of inattention to the compilation of the historical register occupies its usual conspicuous place in the reports. Year after year the promises of remedies to be applied in this respect are recorded, but these promises appear seldom to be fulfilled. The keeping of the register is either a matter of importance or else it is a triviality which is given undue notice. If the latter is the case, there is little use in taking up the time of Grand Lodge with reference to it. Your Committee, however, is of the opinion that it is of some considerable importance, and should be treated from that viewpoint. It is true that the minute book should, and no doubt does, contain a more or less accurate history of the transactions of the lodge, but there are many incidents in connection with every lodge, which cannot properly be recorded in the minute book, but which should be on record in some form, for the information of those who come after us. That certain Masonic events or occurrences of particular interest as affecting masonry should be lost sight of, would in many cases be a distinct calamity, and your Committee would recommend that for the sake of preserving reliable masonic history an effort should be made for the systematic preparation of these valuable records. To this end we would recommend the appointment of a committee to draft a set of instructions and suggestions for this purpose, and a copy of the same furnished to every Secretary for his guidance.

Your Committee desires to draw the attention of Grand Lodge to the lack of uniformity which prevails in the preparation of reports of District Deputy Grand Masters. Very frequently they are filled with matter more or less irrelevant, greatly to the detriment of their usefulness and informative character. We would therefore recommend the appointment of a committee to co-operate with the Grand Secretary in drafting a form of report to be used for this purpose, which should provide only for such matter as is essential in bringing before Grand Lodge the information which it requires, in a clear and concise form.

No report from District No. 2 has been placed before your Committee, and we are informed that none has been received by the Grand Secretary. Aside from this the several reports would indicate that the brethren who were selected for the office of D.D.G.M. have performed the duties, and discharged the great responsibilities incident to the office faithfully and efficiently, and the brethren may rest satisfied that the confidence reposed in them was not misplaced.

Your Committee has great pleasure in recommending that the rank of P.D.D.G.M. be conferred upon the following brethren in recognition of their services:

R.W. Bro. W. McGOWAN	D.D.G.M. Masonic District No.	1

R.W. Bro. A. G. RAWLINSON	" " " "	4

We also recommend that the same rank be conferred upon W. Bro. W. L. Craddock, D.D.G.M. for Masonic District No. 10, for the year 1917-18.

Your Committee regrets that it is obliged to call attention to the low average attendance at lodge meetings. This is particularly noticeable in reports from city lodges, and while the smaller lodges do not always show satisfactory conditions in this respect, they compare more than favorably with those in the larger centres.

It is not our intention to pursue this subject further, nor offer remedies for the correction of the evil. The remedy lies with the individual brother. Every member of a lodge knows his duty toward that lodge. If he does not, either he has not taken the trouble to learn it, and therefore has failed to grasp a proper realization of his responsibilities as a Mason, or the lodge itself is derelict in its duty and has neglected to use such means as will tend to make its meetings interesting, and to impress upon its members their duty to attend them whenever it is possible to do so.

Your Committee is obliged to call attention to the fact that in too many lodges there is a large amount of dues in arrear. This is an old complaint, and one which appears to be extremely difficult to deal with. Aside from reminding the brethren that their lodge cannot function properly unless it receives the necessary financial support, we cannot suggest any remedy except that secretaries devote more time and attention to this phase of their work than they have done in the past.

Notwithstanding the few criticisms which we have considered it our duty to embody in this report, your Committee is pleased that on the whole it finds conditions generally such that it is warranted in congratulating Grand Lodge on the very satisfactory results of the year's work. With few exceptions the lodges are prosperous, and there is manifest in them all an earnest desire to contribute in every way in their power to the aims and objects for which freemasonry stands, and to make the practice of its principles a reality rather than an empty profession. Just now there is a tendency to ascribe so many general results, both beneficial and otherwise, to the lessons of the great war, now happily brought to a victorious end, that any attempt to con-

sider those lessons from a Masonic standpoint, and attribute to them, the Masonic awakening, which is doubtless apparent, not only in our own country, but in other parts of the world, might appear platitudinous. Your Committee, however, believes that it is not going beyond the limit of fact, in expressing the opinion that the heavy trials which many of our brethren have been called upon to bear; the sacrifices which all of us have been forced to make; the long weary years of anguish which the relatives of the brave men, exposed to hitherto unheard of dangers and hardships almost beyond comprehension, have undergone, as they watched and prayed for their safety, hoping against hope and always fearing for the worst; have had the effect of opening the minds of Masons, and making them more receptive of the truths of freemasonry and inducing the proper practice of its principles, thus promoting as never before their influence, not only on those of the craft but on the world at large.

We, as Masons, have in the past perhaps been open to the charge of selfishness, inasmuch as we have been prone to consider that what we have of good is for ourselves alone. We know that things of value must lose their value if hidden from sight, and freemasonry is no exception to this rule. It is therefore our duty to display a proper pride in Masonry, not by the exhibition of tokens and insignia, as is too often the practice, but in the ordering of our daily life. Our intercourse one with the other, and our deportment before the world, should be such as to demonstrate that freemasonry is what it professes to be, thereby enhancing its value to ourselves, and its usefulness to mankind.

REPORT OF COMMITTEE ON MASONIC RELIEF AND CHARITY

The Committee on Masonic Relief and Charity submitted the following report:—

To the M. W. the Grand Master, Officers and Brethren of the Grand Lodge of Saskatchewan, A. F. & A. M.:

Your Committee on Relief for 1918-19 has had five cases brought to their attention, and from the representations made by the Local Lodges, they having done their part, have made grants as follows:

Wascana Lodge, No. 2	\$150.00
N.W.M.P. Lodge, No. 11	50.00
Saskatchewan Lodge, No. 16	100.00
Melville Lodge, No. 62	100.00
Mount Hermon Lodge, No. 124	250.00

In the case of Wascana Lodge No. 2, your Committee had their attention directed to this matter prior to the last meeting of Grand Lodge and, the local Lodge having all along done its duty towards the Brother's comforts, considered it favorably. Since that time the Brother has passed to the Great Beyond.

In that of N.W.M.P. Lodge No. 11, the local Lodge has done its part nobly, and is still contributing towards the support of the widow and orphans of the deceased Brother. In this case application has been made for a permanent grant and will, no doubt, be dealt with at this meeting of Grand Lodge.

In that of Saskatchewan Lodge No. 16, this is a case where a Brother has been in the hospital in Vancouver for some time, the local lodge guaranteeing the expenses. Your Committee was applied to for assistance and as a reply by wire was asked for as Chairman of your Committee I guaranteed \$100.00 with the understanding that if necessary a further sum might be voted. The Brother died some weeks ago, leaving a widow. The only further demand in this case that is likely to be made is for bills incurred, medical attendance, hospital and funeral expenses. The widow, we understand, has expressed herself as capable of earning her own living.

In the case of Melville Lodge No. 62, they are now receiving permanent relief from the Benevolent Fund.

In that of No. 124, this case has been under the special care of the Brethren of the local Lodge. The Lodge (though only in existence a little over two years) up to the time when relief was asked for and granted, paid on relief over the sum of \$800.00 and when an appeal came to hand your Committee acted as above. The members of Mount Hermon Lodge No. 124 appear to appreciate the action of the Relief Committee, and have expressed themselves accordingly.

Your Committee have acted to the best of their judgment, and as some of the members of same expressed themselves 'that the Masonic Relief and Charity Committee were supposed to act immediately' the business has been taken up by correspondence

with the members as the cases were brought to the Chairman's attention where the representations showed that the local Lodges were working in conjunction.

All of which is respectfully submitted,

ALEX. SHEPPHARD,

Chairman.

On motion of R.W. Bro. A. Shepphard (2), seconded by M.W. Bro. J. H. Anderson (16) the report was received and adopted.

REPORT OF THE COMMITTEE ON NECROLOGY

The Committee on Necrology submitted the following report:—

To the M.W. the Grand Master, Officers and Members of the Grand Lodge of Saskatchewan, A. F. & A. M.

Your Committee on Necrology beg to present the following report:—

The death angel has visited many of our Lodges since we met in annual communication at Moose Jaw last June and claimed the largest number of our brethren in any one year in the history of this Grand Lodge. One hundred and fifty-eight names have been added to the roll of those who answered the final summons. May the beautiful lessons of Masonry have truly instructed these brethren "how to die" and enabled them "to contemplate death as the end of all affliction and the entrance to a better life." Your committee feel assured that many of our brethren who have crossed the Great Divide are now reaping the reward provided for the good and faithful, and trust that this will in some measure afford consolation to all who long "for the touch of a vanished hand and the sound of a voice that is still."

Our records note that the following departed this life during the period under review:

Twenty-nine of these brethren were killed in action and three died of wounds on the field of honor. We therefore ascribe to them the tribute so justly their due and add their names to the Roll of Honor created by Grand Lodge in proud recognition of the achievements of its adherents in this historic struggle for those principles which Freemasonry has ever cherished. What greater service can a Mason render than to sacrifice his all on the altar of Truth and Justice!

The ravages made in our ranks by the influenza epidemic were indeed appalling. May the world be henceforth immune from such a scourge!

The departure of each brother from our midst has caused deep grief and pain and we desire to convey to the bereaved families and lodges with which they have been severally connected some message of relief and consolation. The call of the Great Architect is one to which each must finally respond, and events of the nature we have experienced during the past year should impress us with "the uncertainty of all things here below," and

inspire us to consecrate our lives to the will of the Most High with whom to be is life eternal.

May the light of faith dispel the dark cloud of bereavement and afford consolation to those who mourn, for

"In that great cloister's stillness and seclusion,
By guardian angels led,
Safe from temptation, safe from sin's pollution,
They live, whom we call dead."

Fraternally submitted,

J. ORVILLE CLARKE,

Chairman.

On motion of R.W. Bro. J. Orville Clarke (68), seconded by R.W. Bro. J. McDonald (12), the report of the Committee on Necrology was received and adopted.

REPORT OF COMMITTEE ON PRINTING AND SUPPLIES

The Committee on Printing and Supplies submitted the following report:—

"To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A.F. & A.M.

We, your Committee on Printing and Supplies, beg leave to report that we have secured for this Grand Jurisdiction all Printing and Supplies required. In addition we have issued a new edition of the Constitution amended and consolidated to and including the 1918 Session of Grand Lodge.

New Offices more suitable to our requirements were secured during the year for the Grand Secretary and Board of General Purposes.

No advance copies of the Grand Master's Address, D.D.G.M.'s Reports, or Reports of Grand Secretary and Grand Treasurer have been secured for this Communication.

Fraternally submitted,

J. W. CRAM,

Chairman."

On motion of R.W. Bro. J. W. Cram (2), seconded by R.W. Bro. J. E. McFee (71), the report of the Committee on Printing and Supplies was received and adopted.

REPORT OF THE BOARD OF BENEVOLENCE

The Board of Benevolence submitted the following report:—

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Saskatchewan, A.F. & A.M.

Your Board of Benevolence beg to submit the following report:—

On January 31st, 1919, the Grand Secretary discovered a grave irregularity of the President of the Board, M.W. Bro. H. H. Campkin, in connection with an investment of \$5,000.00.

The Grand Secretary immediately visited Moose Jaw to hold consultation with M.W. Bro. W. B. Willoughby and M.W. Bro. J. McCauley, both of Moose Jaw, and members of the Board.

At this meeting it was decided to call a full meeting of the Board, by wire, on February 1st, in Regina.

The meeting was duly held, the President's action fully considered, and every endeavor made by the Board to safeguard all monies of the Grand Lodge Benevolent Fund, as far as we were able.

Transfers of property held by the President were taken, but we find the property is heavily encumbered, and as it will be impossible for Grand Lodge to realize on it without assuming the liability of further expenditure to protect its interests, we recommend that the property be reconveyed to M.W. Bro. Campkin.

At a meeting of the Board held on February the 18th, 1919, the resignation of the President, M.W. Bro. H. H. Campkin was received and accepted.

Complying with the Constitution, M.W. Bro. L. T. McDonald was elected by the members of your Board to serve as a member until the next Annual Communication of Grand Lodge; M.W. Bro. J. McCauley was duly elected to fill the then vacant Office of President for the unexpired term.

It was also decided to prefer charges against the ex-President.

This is fully dealt with in the report made by the Committee on Grievances and Appeals.

At the end of the Masonic year, your Benevolent Fund had the sum of \$82,000.00 which consisted of Cash, Bonds and Securities.

A complete statement is duly submitted in the Auditor's report.

So far, all work in connection with the administration of the Benevolent Fund has been gratis. However, it was pointed out in the President's Report of last year that the services of the Grand Secretary and Grand Auditor should receive some remuneration for the extra work entailed. We therefore beg to recommend that an honorarium of \$200 be made to the Grand Secretary, and one of \$50 to the Grand Auditor, for the past Masonic year.

The following applications for Personal relief have received favorable consideration of the Board:

- No. 1. From Estevan Lodge No. 25, for Bro. S., we recommend a grant of \$25.00 per month be made until further ordered.
- No. 2. From Evening Star Lodge No. 10, for the widow and small children of Bro. D.S.C., we recommend a grant of \$200.00 per annum be made until further notice. If a grant can be secured from the Mothers' Pension, we may be able to reduce this grant to \$150.00.

No. 3. From N.W.M.P. Lodge No. 11, for the widow of Bro. H. J., we recommend a grant of \$200.00 per annum be made until further ordered.

We recommend the continuation of the grant to Buchanan Lodge No. 54 for Bro. M.C., and the continuation of the grant to Melville Lodge No. 62 for Bro. H.

The policy adopted by the Board for the past year has been to invest monies in Dominion of Canada War Bonds and other Bonds guaranteed by the respective Dominion and Provincial Governments.

With the exception of the \$5,000.00 which we regretfully state was misapplied by the ex-President, all other securities and investments are in excellent order.

We congratulate Grand Lodge on the respectable and substantial proportions which the Fund has assumed, an amount which we trust will enable the Craft in this Grand Jurisdiction to faithfully and truly demonstrate the truly Masonic virtues, viz., "Benevolence and Charity."

Fraternally submitted,

J. McCAULEY,

President.

It was moved by M.W. Bro. J. McCauley, seconded by M.W. Bro. L. T. MacDonald, that the report of the Board of Benevolence be received and adopted.

It was moved in amendment by M.W. Bro. C. O. Davidson, seconded by W. Bro. H. J. Beveridge (89) that "the report of the Board of Benevolence be amended by deleting that part of it referring to the reconveyance of certain properties to H.H.C. and that the arrangement of the matter be left to the discretion of the Board.

The amendment carried.

On motion of M.W. Bro. J. McCauley (3), seconded by M.W. Bro. L. T. MacDonald (2), the report of the Board of Benevolence as amended was received and adopted.

On motion of M.W. Bro. L. T. McDonald (2), seconded by M.W. Bro. W. M. Thomson (4), it was resolved that "the Emergency war fund be transferred to the Benevolent Fund and that the account known as the Emergency War Fund be cancelled."

To the M.W. the Grand Master, Officers and Members of the
Grand Lodge of Saskatchewan, A.F. & A.M.

We, your Committee on Jurisprudence, beg to report that we have had under consideration the notices to amend the Constitution before Grand Lodge as follows:—

No. 1. By M.W. Bro. L. Morris, that the Constitution be amended so that the D.D.G.M.'s shall not rank and be installed before the officers elected by the whole body of Grand Lodge, viz., the Grand Wardens, Secretary, Treasurer, etc.

No. 2. By M.W. Bro. L. Morris that section 38, page 18, be amended by deleting the words enclosed in brackets in the second and third lines so that the clause will read "No Brother is qualified to hold any office in Grand Lodge unless he has been regularly installed as Worshipful Master of a Lodge and is at the time of his election or appointment a member of this Grand Lodge."

No. 3. By W. Bro. G. L. Hopkins (2): Whereas one of the most important objects of Free Masonry is or should be the promotion of sociability and good-fellowship amongst the members of our Lodges, and whereas under Grand Lodge ruling No. 1, requiring degrees to be conferred individually so much time is necessarily taken up in the larger Lodges in conferring degrees that the members have no opportunity to become acquainted with each other, that ruling No. 1 be rescinded and that the numbers of candidates who may receive a degree conjointly be left to the discretion of the W.M. of each Lodge.

And we recommend that the notices so given be withdrawn and not dealt with at this meeting of Grand Lodge.

G. B. MURPHY,
Chairman.

Smith (136), it was resolved that Grand Lodge authorize the Grand Secretary to prepare a Ceremony of Dedication of Masonic Buildings for this Grand Lodge and to revise the Ceremony of Organizing, Constituting and Consecrating a New Lodge and that the Committee on Printing and Supplies be authorized to have same printed as soon as prepared.

It was moved by R.W. Bro. R. O. Coghlan (56), seconded by W. Bro. J. Middagh (56), and resolved that this Grand Lodge has implicit confidence in the Trustees of the Benevolent Fund and that in the opinion of Grand Lodge no blame was attached to them in connection with the defalcation of \$5,000.00 by the late president of the Board of Benevolence.

It was moved by M.W. Bro. C. O. Davidson (1), seconded by R.W. Bro. J. N. Bayne (2), that the practice of including what is known as the Approved Rulings in the Annual Proceedings of Grand Lodge be discontinued and instead that they be printed on separate sheets to be distributed to the Constituent Lodges in that form. REPORT OF SPECIAL COMMITTEE RE REVISION OF RULES GOVERNING THE BENEVOLENT FUND

R.W. Bro. G. M. Weir (60), submitted the report of the Special Committee appointed at the last Communi-

cation of Grand Lodge to revise the rules Re the Benevolent Fund, as follows:—

To the M.W. the Grand Master, Officers and Brethren of the
Grand Lodge of Saskatchewan, A.F. & A.M.

Most Worshipful Sir and Brethren:—

Your Committee of fifteen, appointed to revise the rules governing the Benevolent Fund of Grand Lodge, beg to report as follows:—

Pursuant to our appointment to office we prepared the following questionnaire which was submitted to each of the subordinate Lodges:

“Office of the Grand Secretary, Regina, Sask., Feb. 5, 1919.

Dear Sir and W. Bro.:

RE BENEVOLENT FUND OF GRAND LODGE

The Committee appointed at the last Annual Communication of Grand Lodge to formulate rules and regulations relative to the administration of the Benevolent Fund hereby submit the following procedure for your consideration. Your approval or disapproval to each of these points is solicited. Kindly set forth your views in the space reserved underneath each point and return this form as soon as possible to the Grand Secretary. To be of value to the committee replies must be in the hands of the Grand Secretary not later than February 22nd, 1919:—

(a) Grants made to a Brother or to a widow, orphans and dependents of a deceased Brother are to be considered as supplementary aid to that given by the Lodge recommending the application.

(b) An application for relief must be made upon a printed form which will be furnished on request by the Secretary of the Board of Trustees. Applications shall be completed by the Master and Secretary of the Lodge with the seal of the Lodge affixed, and no applications other than those so received shall be considered. The Lodge making an application for permanent relief shall pass a resolution to that effect in open Lodge and attach a duly certified copy of same to the application.

(c) Applications for temporary relief may be made by a subordinate Lodge and will be immediately dealt with by the committee appointed for that purpose; whereas, any application for permanent relief must be dealt with by Grand Lodge.

The procedure set out above is that followed by practically all Grand Lodge Jurisdictions, including the Grand Lodges of England, Scotland, Ontario and Manitoba.

If the above procedure does not meet with your approval kindly favor the Grand Secretary with any further suggestions you desire to offer.”

At the second meeting of the committee the replies received were carefully examined, when it was found that practically no objection was taken to the principle outlined in the questionnaire. It is to be noted, however, that some slight misapprehension

exists in a few cases with reference to the significance of the word "supplementary" as used in question "A." This can be overcome by a slight change in the wording, and your committee recommend that No. 10 of the rules governing the benevolent fund be amended by adding the clauses of the questionnaire revised as follows:

(a) Grants made to a Brother or to the widow, orphans and dependents of a deceased Brother are to be considered as supplementary to the relief given by the Lodge recommending the application.

(b) An application for relief must be made upon a printed form which will be furnished on request by the Secretary of the Board of Trustees. Applications shall be completed by the Master and Secretary of the Lodge with the seal of the Lodge affixed, and no applications other than those so received shall be considered. The Lodge making an application for permanent relief shall pass a resolution to that effect in open Lodge and attach a duly certified copy of same to the application.

(c) Applications for temporary relief may be made at any time by a subordinate Lodge and will be immediately dealt with by the committee on Masonic Relief and Charity appointed for that purpose; whereas, any application for permanent relief must be dealt with by the Board of Trustees who shall report to Grand Lodge at the next annual communication thereafter.

Your Committee further recommend that Section 12 of the constitution be deleted as it is provided for by subsection "C" of section 10 above, and that the following be substituted as the new section 12:—

The interest accruing from time to time from capital account shall be placed in a separate fund and shall be at the disposal of the Board of Trustees for purposes of relief as provided for in Rule 10.

Fraternally submitted,

On behalf of Committee re Rules Governing Benevolent Fund.

GEO. M. WEIR.

J. ORVILLE CLARKE.

It was moved by V. W. Bro. R. B. Taylor (62), seconded by W. Bro. R. Longmore (98), that—

“In the opinion of this Grand Lodge there should be nothing but the names of the members inscribed on the Honor Rolls of our Lodges.”

The motion was lost.

BUREAU OF MASONIC RESEARCH

The Special Committee, to whom was referred that portion of the Grand Secretary's report dealing with the recommendation that this Grand Lodge take steps to form a Bureau of Masonic Research reported as follows:

“To the M.W. Grand Master, Officers and Members of the Grand Lodge of Saskatchewan, A.F. & AM.

We, your special Committee, appointed to report on that part of the Grand Secretary's Report referring to the Masonic Research Bureau, beg to report as follows:

We recommend that the Grand Secretary be asked to obtain from other Grand Jurisdictions information as to what procedure has been adopted by them along lines of Masonic Research and report result to the Chairman of this Committee, who will then advise the members the result of this investigation and call the Committee together at the time of the next meeting of the Board of General Purposes.”

Fraternally submitted,

The motion was carried by a standing vote; and W. Bro. Canon Strong, Rector, in reply stated that he was pleased to offer the use of St. Alban's because he was aware of what the Masonic Institution stands for. "Why should he not, he said, "be ready to offer the use of the building when he realized that the Book from which he spoke was the rule and guide of their actions as Masons, and that it ever lay open upon their Alters. The principles," he stated, "on which Freemasonry is founded are the principles that make a nation great. Masonry stands the test of time because Masons are living out these principles upon which the institution is founded. It is good to meet together and we will all receive a blessing from this meeting of Grand Lodge."

On motion of M.W. Bro. L. T. MacDonald, seconded by R.W. Bro. D. A. Kingsbury it was resolved that the thanks of Grand Lodge be tendered to the Brethren of Prince Albert for the gracious reception and attention shown to the visiting Brethren during the week.

This resolution was also carried by a standing vote.
